& Professor of Economics  
Josef Korbel School  
of International Studies  
University of Denver, USA

North South University (NSU) proudly welcomes the members of its International Advisory Board (IAB), the first of its kind in any university of Bangladesh. Each year the Board of Trustees and the Vice Chancellor meet with the IAB members in the U.S.A. and other countries to receive advice on academic and administrative matters, guidance on research and support in the development of policies. This year, NSU is extremely delighted to have them all here for the first time to hold the annual IAB meeting in Bangladesh on March 07, 2019. Moreover, Sir Richard J. Roberts, Nobel Laureate in Physiology or Medicine, the Honorable Convocation Speaker of the 22nd Convocation to be held on March 06, 2019 will grace the occasion with words of wisdom for our fresh graduates. This year, more than 3,500 students will join the network of 26,000 alumni who have graduated since its inception. A week-long program of activities has been planned for the distinguished IAB members that includes public lecture, panel discussion and NSU Fair during which the members will be acquainted with the NSU faculty members, students, research opportunities as well as student clubs and extra-curricular activities.

We are deeply honored to have the enthusiastic support, active participation and wise guidance of our IAB members and we warmly welcome them to NSU and wish their comfortable stay in Bangladesh.
