

**FEMME FABULOUS**

# KORNIA

*Promising singer, Kornia has captivated the audience with her mesmerising voice. She mounted to fame after her participation in a singing reality show, "Power Voice". Ever since then she has done various stage shows, live concerts, mixed albums and even playback singing. In a candid interview with Star Showbiz, Kornia shared the secrets behind her good looks.*

**SKINCARE:**

Kornia being a busy person follows a simple skin care routine. After coming home from shows and shoots, she wipes off her makeup using *BIODERMA* makeup remover wipes for face and eyes. Then, she washes her face clean with dermatologist prescribed facewash, *Acne-Aid* and to improve the surface of her skin she uses toner. She keeps her skin hydrated and soft by applying *NIVEA®* or a moisturiser from *Clinique*. She feels that it provides her skin the moisturisation and completes her cleansing routine. She mostly prefers organic products when it comes to pampering her skin with extra care. Whenever she gets time, she applies aloe vera, oranges or organic fruits for soothing her skin.

**HAIRCARE:**

She has colour treated hair and to lock its shine and smoothness, she visits the salon at least twice a month for a special hair spa. She uses shampoo and conditioner for coloured hair and avoids damaging it from excessive styling by keeping it naturally curled.

**MAKEUP:**

For her everyday errands, she avoids using makeup and prefers stepping out of her house only applying a moisturiser or sunscreen on her face

and accentuates her eyes by applying kohl. For full coverage look, she uses *MAC* foundation and completes her look using high-end brands of eyeshadow, lipstick, highlighter and blush. Her favorite makeup brands are *MAC* and *NYX*.

**REGULAR WEAR:**

For her daily attire, Kornia keeps her look trendy and comfortable, by wearing different tops paired with jeans. She likes wearing fashionable clothes and tries to wear cotton tops during the summer.

**PARTY WEAR:**

While attending parties, she prefers wearing western outfits and usually creates her own styled look. She loves wearing gowns and formal attires to corporate parties, and for weddings or receptions, she sometimes drapes herself in a *Saree*. She completes each of her look with matching accessories.
