Deshi Fruits Galore

Since its inception, Star Lifestyle has been promoting deshi products diligently. Based on this thought, this year, we have promised to make it big and widespread.

We want our readers and patrons to believe in our efforts, and support towards all things Bangladeshi. For this week, we present to you an offbeat photo shoot, based on deshi fruits, and shaped a story designed to make you nostalgic about rural Bangladesh and its age-old attachment to fruits.

Hoping that you will like our theme and enjoy it as one of the many developments to come up soon!

Here's to being #deshifirst and #deshialways!

Read on and don't forget to take a glance at our photoshoot — presenting summer's bounty in all its glory.
