

New trailer for 'Aladdin' released!

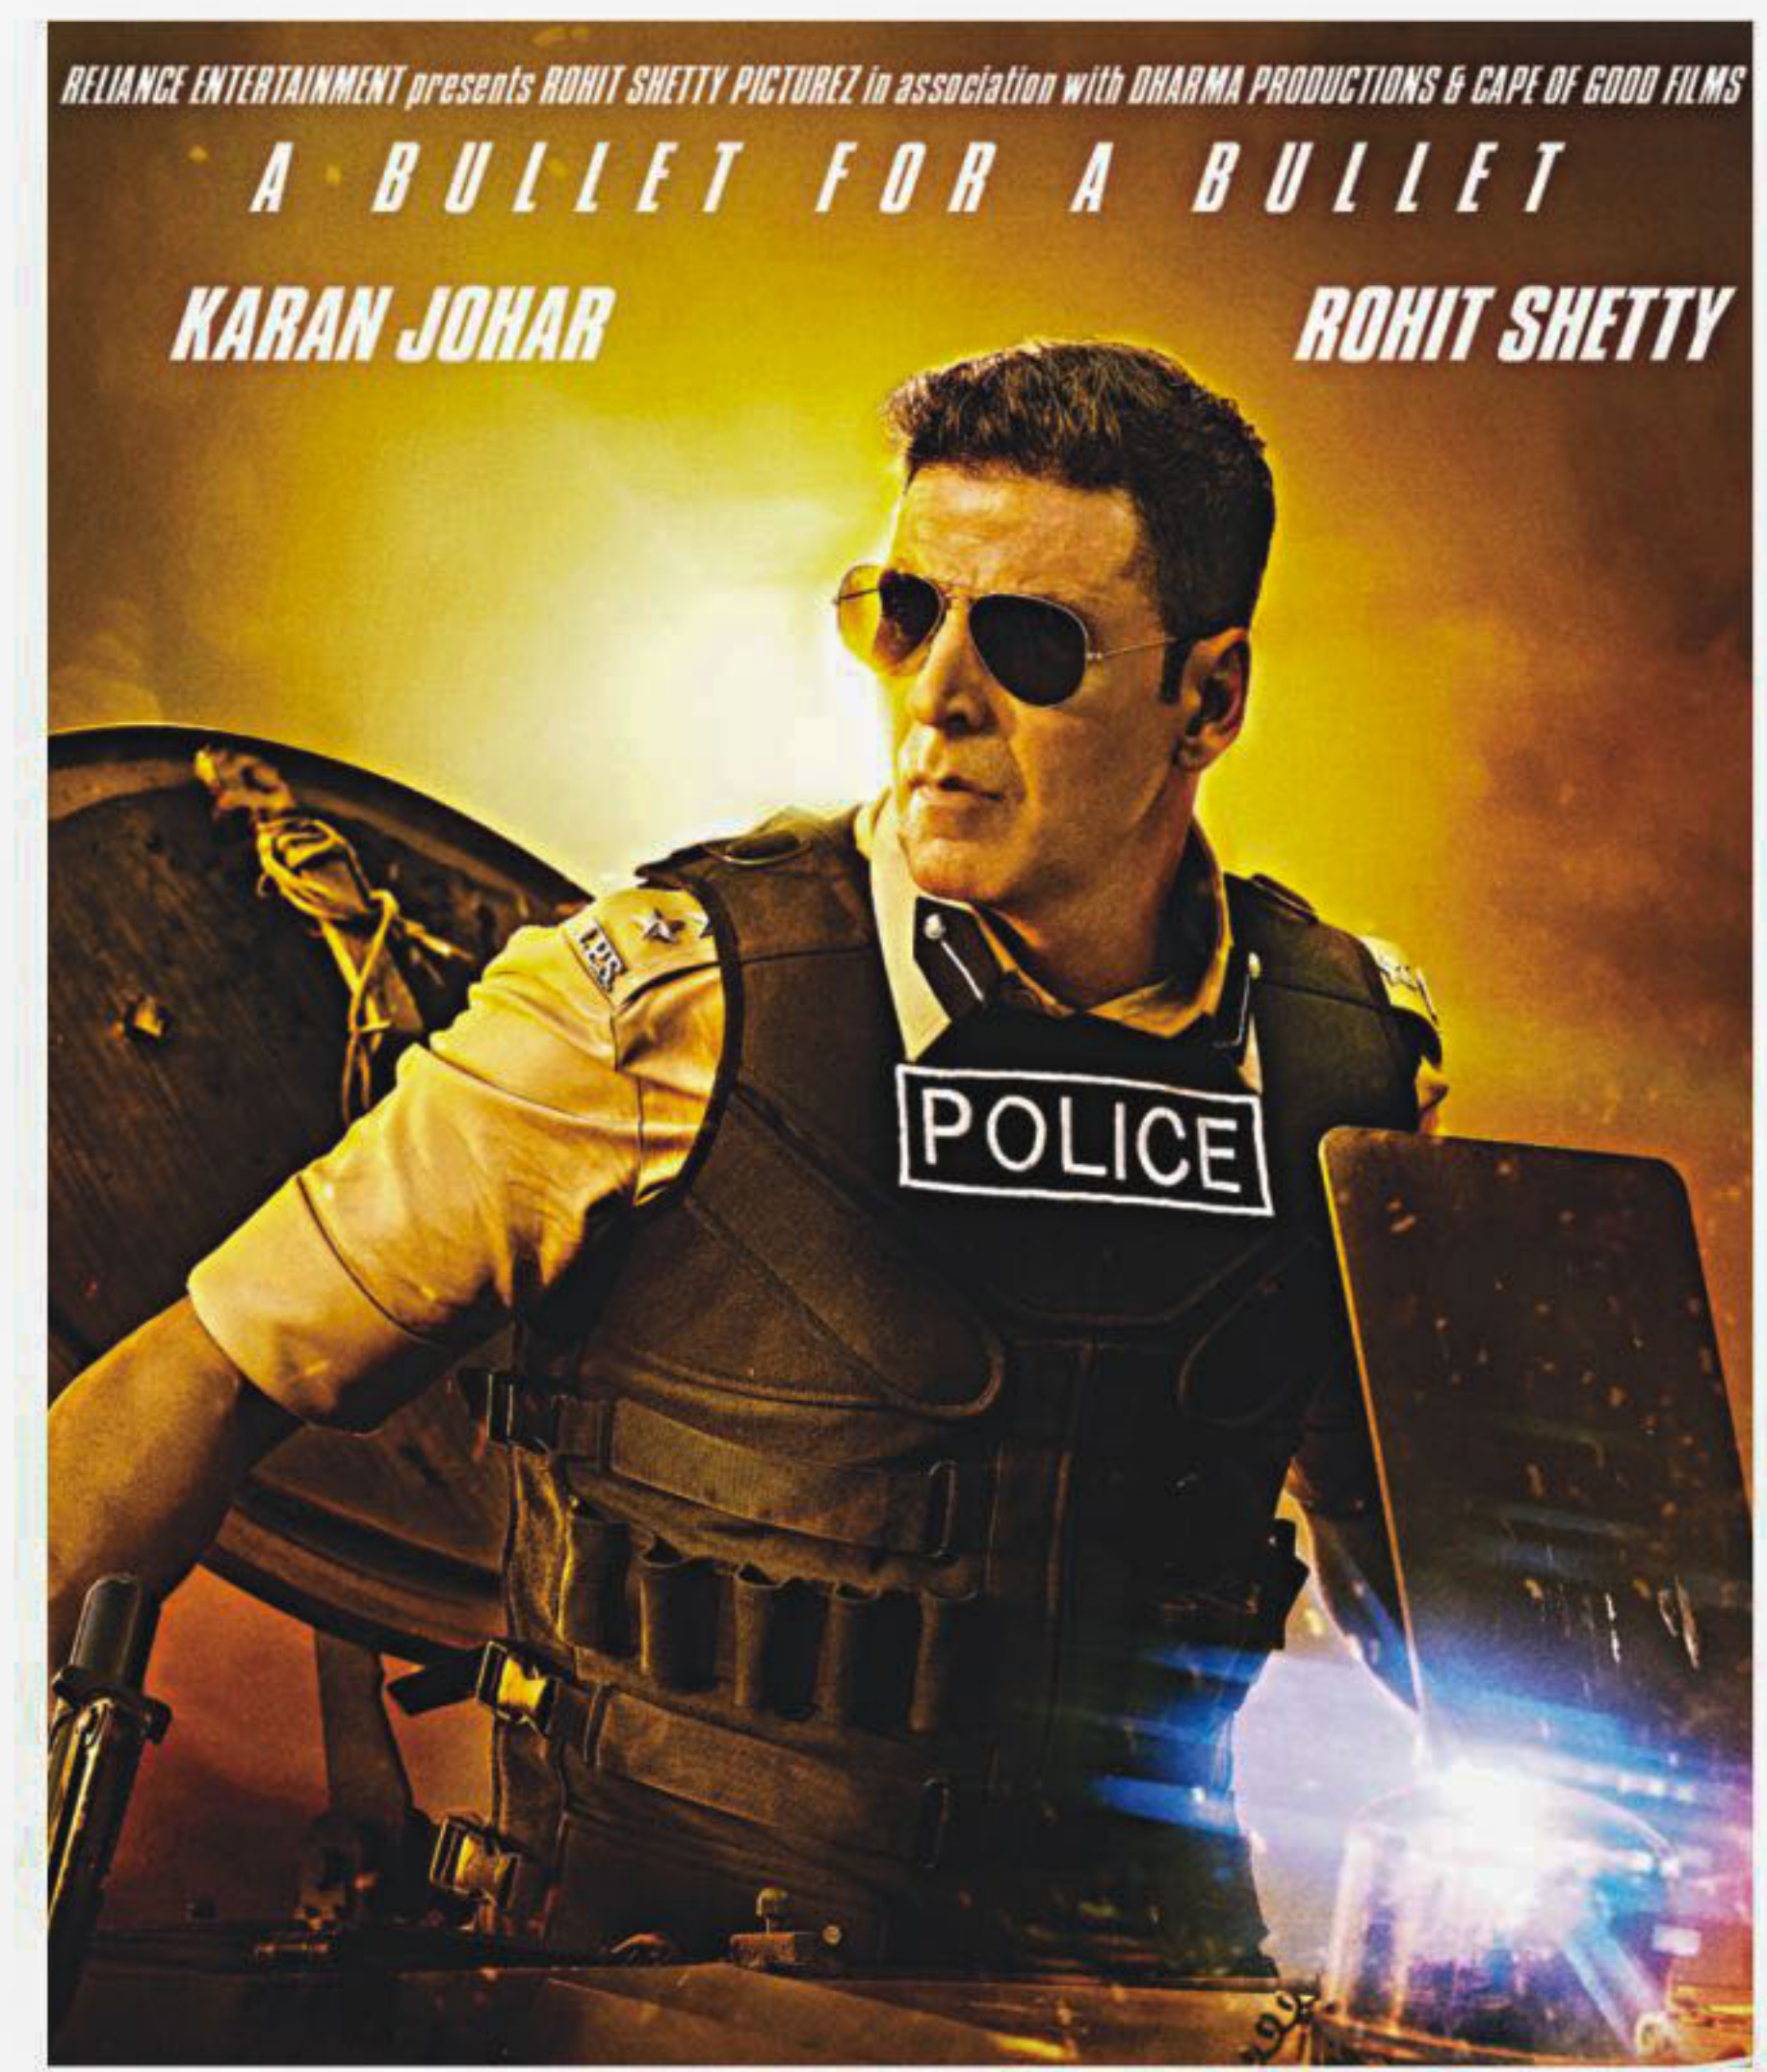

Anticipation levels are high, after yet another trailer of Disney's upcoming live-action adaptation of the animated film, *Aladdin*; inspired by *One Thousand and One Nights*, the anthology of oriental folk tales. The remake of the classic relates the story of a destitute, who happens to own a magic lamp that helps him pursue the princess of Agrabah. The first trailer was released in October last year and the second appeared sometime around February, 2019, followed by the third on March 12. Directed by Guy Ritchie, *Aladdin* is set to be released on May 24, 2019. The musical-fantasy film stars Will Smith as the Genie, Naomi Scott as Jasmine and Mena Massoud as the eponymous character of the film.

ROHIT SHETTY'S new cop drama

Following the box-office success of *Simmba*, director Rohit Shetty braces himself for introducing yet another action film, titled *Sooryavanshi*, in the ensuing year. The upcoming crime-drama involves a squad of policemen trying to bring justice to the city teeming with mobsters. The film is the fourth installment of Shetty's popular cop drama franchise. Starring in the film are actors Akshay Kumar, Ranveer Singh and Ajay Devgan, among others. Akshay plays the titular lead as Veer Sooryavanshi, the chief of the police force. The film is set to be released on July 30, 2020, on *Eid*. While most of Shetty's films explore the heroic espionage of a male police officer, the blockbuster director revealed his desire to make another cop drama featuring a female lead, in the coming years.

Sequel for 'Bohemian Rhapsody'?

Rumor has it that the critically acclaimed Queen biopic, *Bohemian Rhapsody* is now preparing for its sequel. The gossip started to escalate across Hollywood as the music video director and a close acquaintance of Freddie Mercury, had claimed in an interview that a possible sequel might be made by one of the producers. However, the authenticity of the news has been questioned. *Bohemian Rhapsody* was a box office hit after its release in October, 2018. Since then, the film has been hyped across the globe. It depicts the life of Mercury and the creation of his band; delving deep into the psyche and sexuality of the protagonist. Directed by Bryan Singer, the film features Rami Malek as Mercury. This year, *Bohemian Rhapsody* has earned a total of four Oscars, while Malek won the Academy Award for being the Best Actor.
