"Its width was expanded encroaching upon the NHA housing estate.  
Immediately, we complained to CCC engineers, who invited us to meet the mayor at his office to resolve the issue," he said.  
"We went to the mayor's office on Monday evening. He told his engineers to expand the drain by 170 feet. I tried to convince him saying that it would be an encroachment of NHA housing estate, which infuriated him," Palash alleged.  
"At one stage, he [the mayor] slapped me and forced me out of his office," he alleged.  
When asked about the incident, AJM Nasir Uddin told reporters at his office that the engineer "misbehaved" while complaining about the drain. "I did not slap him. I rebuked him for his misbehaviour," the mayor claimed.

## 'Where do they get the audacity?'

FROM PAGE 3  
The HC bench of Justice FRM Nazmul Ahasan and Justice KM Kamrul Kader came up with the observation while hearing a writ petition challenging legality of refusal by the OC of Satkhira's Shyamnagar Police Station, to register a case for torturing one Md Fazlur Karim and looting his valuables.  
The court set April 7 for further hearing and passing order on the petition. Advocate Md Shamsul Huq Kanchan, lawyer for the writ petitioner, told The Daily Star.  
Citing the petition, he said one Yusuf Ali and his men attacked and tortured Fazlur at Sora village under Shyamnagar Police Station on the night of February 17.  
They also looted Tk 2 lakh, two gold chains and valuables worth Tk 50,000 from Fazlur and damaged the wall of his house, the lawyer said.  
Advocate Shamsul said Fazlur informed

the incident to OC of Shyamnagar Police Station Habil Hossain during the incident over cellphone and requested the OC to help him.  
But, the OC refused to help, saying that he was busy with other work, he said, adding that Fazlur then informed the incident writing to the superintendent of police (SP) of Satkhira.  
The SP on February 26 asked OC Habil to take appropriate legal steps over the incident, but OC Habil did not register any case.  
Fazlur on March 3 submitted the writ petition to the HC challenging the legality of OC Habil's refusal to record the case.  
During hearing of the petition yesterday, Assistant Attorney General Saiful Alam told the court that Shyamnagar Police Station has submitted a report to the SP of Satkhira over the incident, and he will collect the report and place it to the court.

## A rape victim's rocky road

FROM PAGE 3  
Investigation into "rape attempt" followed. Complaints of insincerity and flirting with the rape survivor against the first investigation officer led to his replacement by a female police officer. The female IO was not cooperative either, asking Laboni to find the addresses of the accused.  
Frustrated at one point, Laboni called a press conference in November and recounted her struggles in search of legal remedy. She also wrote to the Human Rights Commission and the PMO and threatened of suicide if no action was taken

to punish the rapists.  
"I went to the IO [from Bhatara Police Station] at least 40 times before I decided to publicly talk about what had happened to me," she told The Daily Star over the phone on Monday.  
The medical evidence which is crucial and hard to get in most cases was in Laboni's favour. Al-Amin said they would soon submit a charge sheet for the trial to begin.  
For now, it seems that Laboni has reached the end of her battle. It is now up to the system to ensure ultimate justice for a rape survivor.
