

STYLE CHECK

EMON

Mamnun Hasan Emon has scaled the heights of the entertainment industry with his first class acting and modelling. The award winning actor rose to fame after his notable performances in various films, such as 'Gohine Shobdo', 'Daruchini Dip', 'Lal Tip', and many more. In an exclusive interview with Star Showbiz, he talks about his style statement.

What is your style mantra?

My style mantra depends mostly on the weather. I usually prefer casual clothes, like the v-neck t-shirts and jeans. I like winter because it gives us the scope to choose from a variety of fashionable clothes, starting from simple jackets to fancy blazers.

Who are your favourite style icons?

My favourite style icons are Hrithik Roshan and Ranbir Kapoor.

Who are your favourite fashion designers in Bangladesh?

I admire all the fashion designers in Bangladesh, including the ones from the past, as well as the emerging ones. I have noticed that many new-generation designers are coming out, and are working in the industry. I generally work with the new designers. They are the ones who manage my wardrobe. So, I want to appreciate their effort and enthusiasm.

What is your regular everyday-wear?

I usually wear tees and jeans.

What is your general party-wear like?

It actually depends on the party I am attending. I opt for white shirts on summer days and put on black attire at

night. I like pink shirts as well. When I attend parties, I sometimes wear a blazer on top of a t-shirt and jeans, and put on a pair of shoes.

What are your favourite accessories?

My favourite accessories are watches, earrings and bracelets.

What is a must have in your wardrobe?

I would say perfumes.

What fashion trend do you dislike?

I haven't yet come across any trend that I particularly dislike.

Which fashion trend would you say is your favourite?

In earlier times, people used to wear bell-bottoms. Many are trying to revive that trend nowadays. I like the slim-fit pants though.

What fashion message would you like to give to the readers?

I would like to ask my readers to stay fit and be confident. Someone may choose a simple, inexpensive outfit; but if that person is fit and can carry it off with confidence, that simple outfit will be the best for them.
