Cheating Prince

Rumors of rift in the royal household, centering on the alleged unfaithful conduct of the Duke of Cambridge, have been doing rounds in the media for quite some time now. It has been reported that Prince William has cheated on his wife of eight years Kate Middleton, with her former close friend Rose Hanbury. Hanbury is married to David Rocksavage, the Marquess of Cholmondeley, who is 23 years older than her and have twin boys and a daughter with him. Apparently, the Cambriges became tight with the Cholmondeleys, after the Duke and

Duchess moved to their country house Anmer Hall, in 2014. It seems the Duke and the Marchioness got romantically involved with each other through their friendship. According to reports, Middleton is very upset and has made it clear to the Duke, that "she doesn't want to see them anymore." So far the Duchess has remained dignifiedly tightlipped on this issue. Amidst all these nasty rumors making for juicy headlines every day, it remains to be seen for how long the royal couple can hold their peace.

got married, they headed for the parked vehicle, without posing in front of the waiting cameras. Law had previously been married to actor Sadie Frost, with whom he has three children. Law has two other children with former girlfriends, American model Samantha Burke and musician Catherine Harding.

hand, last year opened up about his relationship with popular fashion designer Natasha Dalal, sparking rumors that the lovebirds might tie the knot this year. Regarding the question of marriage, Varun said, "It's not going to happen this year. I'm not saying I won't get married but it's not this soon. If I'm doing all these movies, I need to find the right time for that."
