UNB, Rangpur

Begum Rokeya University, Rangpur (BRUR) authorities have formed a three-member committee to settle the issues of seniority, promotion and seven years' salary of Mahamudul Haque, who was recently appointed as a teacher of the university following a court verdict.

The committee was formed at the 61st syndicate meeting held in BRUR liaison office in Dhaka on Wednesday with its Vice Chancellor Prof Dr Major Nazmul Ahsan Kalimullah in the chair, said sources who attended the meeting.

The committee members are BRUR Registrar Abu Hena Mustofa Kamal, Rangpur Divisional Commissioner Mohammad Joydul Bari, and Dhaka University Professor Dr Shuchita Sharmin.

The committee was formed following

a letter submitted by Mahamudul who joined the mass communication and journalism department at the university as its teacher on March 10 after a legal battle for seven years.

In the letter written on May 14, Mahamudul demanded seniority, promotion to associate professor, chairmanship of the department, salary and benefits to be effective from the date of 21st syndicate meeting and compensation for the long legal battle.

On October 15, 2017 the High Court (HC) directed the university authorities to appoint Mahamudul Haque as a teacher following the recommendations of the selection board made on January 13, 2012 and approved by the 21st and 22nd syndicate meetings.

Later, the university authorities filed a leave-to-appeal petition and a review petition with the Appellate Division challenging the HC verdict but the apex court upheld the HC judgement.

crore as salaries and allowances, Khalid said, while presenting a keynote.

As part of non-development expenditure, the government allocated Tk 13.67 crore only for salaries, which was less than one percent of the requirement, he said.

"Due to irregular salary disbursement, many municipal employees lost their efficiency, which affected services to people," he added.

Speaking as chief guest, Planning Minister MA Mannan said the government has undertaken a number of projects to provide housing to the urban poor including construction of multi-storied buildings, allocation of land and housing loans.

There will be adequate allocation in 2019-20 national budget to complete the projects, he assured.

Moderating the dialogue, PPRC Executive Chairman Hossain Zillur Rahman said although the urban poor populace has a significant contribution in GDP growth, the mindset towards their social recognition was still not as expected, which needs to change.

Senior Secretary Shah Kamal of Disaster Management and Relief Ministry and Brac Executive Director Asif Saleh, among others, spoke.

Anwara on the other side and enhance the Dhaka-Chattogram-Cox's Bazar national highway network.

The 3.4km four-lane tunnel will be constructed at the cost of Tk 9,880.40 crore, he said.

Regarding construction of the much-talked about 47km Dhaka Elevated Expressway, the minister said work is on in full swing as the problem regarding funding is over.

The expressway will be constructed in three phases from Airport to Kutubkhali on Dhaka-Chattogram highway via Kuril, Banani-Mohakhali-Tejgaon-Moghbar-Kamalapur-Sayedabad-Jatabari.

The minister said work on a part -- from airport to Kamalapur -- of the expressway would be completed by December next year.

Quader said feasibility study to construct a subway (underground metro) in Dhaka city is underway and would be completed within December.

Besides, the minister said they have taken an initiative to conduct feasibility study for building another tunnel under Jamuna river to connect Gaibandha and Jamalpur. It would start upon receiving foreign funding, he added.

Bridges Division Senior Secretary Khandker Anwarul Islam and other top officials were present at the briefing.

Abu Hayat, a Bangladeshi researcher working with North South Initiative, a Malaysian rights body, said he visited the accommodation of the migrants yesterday and found the situation appalling.

"It's painful to see how these Bangladeshi youths are struggling. Their labour camp doesn't have enough running water and electricity," he said.

Bangladesh High Commission should immediately intervene and ensure that the migrants get regular pay, he added.

Axisjaya did not respond to repeated calls made by The Daily Star yesterday.

"She [PM] said before sitting for a discussion, we have to show that Chhatra League is a united family, then she will listen to us all," he added.

Saif Babu, spokesperson of the "deprived" faction and former publicity affairs secretary of BCL, said the assurance of the senior leaders prompted them to call off the protest around 1:30am.

BCL on May 13 announced its full-fledged 301-member central committee, touching off controversy and demonstrations by some of those who could not make it to the new committee.

BCL EXPELS 1, SUSPENDS 4

BCL last night expelled one and suspended four of its activists temporarily over the incident at Madhur Canteen.

Salman Sadik, activist of BCL's Zia Hall unit, was expelled while Gazi Mursalin Anu, general secretary of science faculty unit; Sazzadul Kabir, activist of Zia Hall unit; Zarin Diya, former member of central committee, were suspended temporarily.

Also, BM Lipi, president of Ruqayyah Hall unit, and Hasibur Rhaman Shanto, programme and planning affairs secretary of Zia Hall, were asked to submit their replies to why organisational steps would not be taken against them.

It also demanded measures to stop plying of autorickshaws and other three-wheelers on national and regional highways, and seamless operations of ferry services at Shimulia-Kathalia and Paturia-Doulatdia ferry terminals.

Most of BJKS' recommendations concurred with those of NCPSRR.

Sent by its Secretary General Mozammel Hoque Chowdhury, BJKS recommended stopping plying of motorcycles during Eid rush; evicting illegal markets besides highways; a stop to extortion on highways; giving rest to drivers; and cancelling leaves of government bodies involved with the road sector.
