

P!NK

“Less is more” said the smart ones. Heritage looms to ‘post-modern’ prints — one can simply drown in a pool of this soothing hue of pink, never having to think twice about going wrong.

Oh! Did we say, ‘women only’? Certainly not! As the song goes, “Pink is the colour of passion, and it just goes with the fashion!”

Grapevine

Took six yards of glory and like twinners that grip by tendrils, draped like they owned it. The sari is more than just feminine yards and they went wild with flora splattered, and the shades smeared all over. A rumour was doing the rounds — “faux pas!” They laughed over because when it comes to gossip, they never kept things hushed.
