# Man sentenced to 30 years for possessing heroin

**COURT CORRESPONDENT**  
A Dhaka court yesterday sentenced a man to 30 years in jail for possessing 90 grams of heroin in November 2016.  
Judge Shaikh Golam Mahub of the Special Judge Court-6 of Dhaka gave the sentence in presence of the convict, Md Kamal.  
The judge further fined him Tk 10,000, in default of which he will have to suffer three more months in jail.  
The court acquitted two others -- Md

Sohel and Md Shahin -- as the charges brought against them were not proven.  
According to the prosecution, a team of police went to Bhasantek slum on November 20, 2016 and arrested Kamal with 90gm heroin and two others.  
A case under Narcotics Control Act was filed against the three with Bhasantek police. Police pressed charges against them on December 30 the same year, and the court framed the charges on October 29 of 2017.

With umbrellas to protect themselves from scorching sun, people cross the Kirtonkhola river on a trawler yesterday. Such overloading in many cases becomes the cause of accidents. The photo was taken from Beltola Kheya Ghat yesterday.

# Unmarked speed bumps a nightmare

biker, while talking to this newspaper at Jhalakathi College roundabout.  
The situation becomes riskier when it gets dark, he says.  
"Recently, locals have set up red flags at many unmarked speed-breakers to warn drivers," he adds.  
A biker and his pillion passenger were critically injured when the bike fell on the Barishal-Patuakhali highway near Barishal University while crossing an unmarked bump about a week ago, said Jubayer Hossain, a student of the institution, who witnessed the accident.  
"My car's bumper is often hit against the speed-breakers while passing through those," says Rafiqul Islam, who usually drives on

Barishal-Khulna and Barishal-Kuakata highways.  
Mahabubur Rahman, an emergency medical officer at Sher-e-Bangla Medical College Hospital in Barishal, says, "We often get patients injured in road accidents while they were going over the speed-breakers."  
On Barishal-Khulna highway, the 19km stretch from Rupatoli to Jhalakathi's Gabkhan Bridge has 20 speed bumps. Of them, 15 have no reflective white stripes.  
On the other hand, on Dhaka-Barishal highway, half of the 33 speed-breakers on 33km from Barishal to Gourmadi cannot be recognised as their paint has faded.  
These unpainted speed-breakers have turned into death traps, says Jamal, a bus driver on Dhaka-Barishal highway.

About the situation, Shushil Kumar Saha, additional chief engineer of Roads and Highways Department (RHD), Barishal, says, "The unpainted speed-breakers will be marked before Eid rush. But it cannot be done on some roads that are under construction."  
RHD Executive Engineer Golam Mostafa says the work will be finished within three to four days.  
When asked why the problem has been prevailing for a long time, the official avoided the question. He did the same when he was asked why they do not monitor the situation.  
The additional chief engineer says for now painting of speed-breakers will get done manually. They will use machines in future so that the paint lasts longer.
