

# HERE'S TO MITA!

A woman like no other,  
she cherishes her work  
Like a child by her mother  
Sing, inspire, mesmerise  
Some of what she's done  
Song after song, she's carved  
a place for her in our hearts.  
A bounty of talent;  
a true master of her arts  
With this, we wish her well  
For more years to come,  
more stories to tell.
