

# THE VERSATILE ACTOR

When he is on the set, he runs the show  
A versatile actor, one that we all know

A lot have tried,  
the lot have failed  
To replicate the brilliance  
of Afran Nisho

A million dollar beard  
and an irresistible personality  
Perseverance, hard work  
but not an ounce of vanity

"I always look for challenges  
in work", he says  
It might as well be  
his mantra for success.
