

A NEW ROMANCE

Amitabh Bachchan's granddaughter, Navya Naveli Nanda and Javed Jaffrey's son, Meezaan Jaffrey are allegedly dating. Rumours began circulating in the wake of the two being pictured together several times. They neither confirmed nor denied the rumours, and have fans going crazy in anticipation. This is one couple no one thought they'd see together. The younger Jaffrey is set to act in his debut film, *Malaal*, while fans are speculating that Navya will join the industry soon. We hope the pair soon spill the beans on their supposed romance, and wish them well in all their endeavours.

EX knocked UP!

Chris Brown is set to be a dad for the second time. This time, the honour of baby mamma goes to Ammika Harris, his ex-partner. Although neither parties have addressed the pregnancy rumours, fans managed to spot the existence of a baby bump in pictures she posted on her birthday. Speculations were further fuelled by the fact that Harris is known to have a slim physique, making the bump all the more visible. Fans are overjoyed, some wanting Harris to reveal the pregnancy immediately, while others are adamant on letting her keep her privacy. With a history of domestic abuse, it will be quite interesting to see what happens, now that Brown has another child on the way.

Kutcher-Kunis over?

There have been rumours circling the tabloids that our favourite Hollywood couple, Ashton Kutcher and Mila Kunis are apparently going to call it quits. Though these rumours have concerned many, fans don't have to be apprehensive any longer as the couple themselves have shut those down, in the most hilarious way possible. Kutcher had posted a video on his *Instagram* handle, which was like a parody of a magazine's article which stated that the couple split up as Kunis had had enough of Kutcher. Kunis basically re-enacted the article, while Kutcher pretended to be shocked, leaving the viewers in a fit of laughter. There have always been such rumours about the couple, but this is the first time they have clapped back. Kutcher and Kunis got married in 2015, and have two children, Wyatt and Dimitri. Kutcher was previously married to Demi Moore, while Kunis dated *Home Alone* actor Macaulay Culkin.
