**Can you describe yourself in three words?**

I would say that I am straightforward, stubborn and I have a good soul.

**What is your favourite childhood memory?**

My favourite childhood memories are from the time I spent at my uncle's house in the village. They even had a pond where I could play and swim.

**What are the first three items on your bucket list?**

I would love to be a part of international films, and thereby, represent my own country. I also wish to be involved in politics, and bring meaningful changes to my community. Lastly, I would say I want to be a successful actor, and perhaps win an *Oscar* someday.

**If you could work with any international artist, dead or alive, who would you choose?**

It would be amazing if I could work with Brad Pitt since I have always admired his work. I also like Leonardo DiCaprio, so I would love to work with him as well.

**What is your favourite place to visit?**

I enjoy going to places that have mountains and waterfalls. I love Switzerland and Finland as they are both beautiful countries with many scenic areas. I also wish to see the Niagara Falls as I've heard its natural beauty is breathtaking.

**What is your favourite food?**

I like trying out all kinds of foods, but my favourites would include dark chocolates and sweets. I also enjoy eating different kinds of vegetables.

**Who was your first celebrity crush?**

It is difficult to pick one name, but David Beckham, Jackie Shroff, Brad Pitt and Neymar are some of my favourite celebrities.

**What would you do if you were the president for one day?**

It's not possible to make any significant change in one day. So, I would wish to be the president for a longer period of time.

**What kind of music helps you relax?**

I find soft, melodious music very calming. I also like listening to rock music sometimes.

**What is your favourite movie of all time?**

My favourite movie is a French-Afghan war film, named *The Patience Stone*.

**What do you like to do in your leisure time?**

I prefer spending my free time with my family, or surfing the internet. If I have a long break, I usually like going to my village.

**If you could be any animal, what would you be?**

My favourite animal is a snake, but I would choose to be a duck as I'd get to spend my time in the water!
