

STYLE CHECK

ROSHAN

What is your style mantra?

My style mantra is to be simple and elegant.

Who is your favourite star icon?

I would say Shahrukh Khan is my favourite star icon.

Who is your favourite fashion designer?

I have worked with a lot of talented designers in the industry. However, since I don't know them personally, it's quite difficult for me to determine who's my favourite.

What is your regular everyday wear like?

For an everyday look, I usually sport a 'casual denim jeans and t-shirt' look. I dislike wearing formal pants, so I usually try to avoid them.

What is your general party-wear like?

I usually opt for a t-shirt or a formal shirt paired with a blazer, whenever I attend a formal event. I generally wear jeans

to such events as well, and add a pair of sneakers or converse to complete the outfit.

What are your favourite accessories?

Sunglasses are, without a doubt, my favourite accessory.

What is a must-have in your wardrobe?

Perfumes are definitely a must-have in my wardrobe.

What fashion trend do you dislike?

I dislike robe-like clothes that have a loose fit, as I find them quite unflattering.

What fashion trend would you say is your favourite?

I always love wearing *panjabis*, so I would have to say that they're my favourites.

What would be a fashion message you would like to give to the readers?

I would like to advise the readers to opt for simple outfits, rather than loud and unfashionable clothes.
