# SHAJU KHADEM

*Can you describe yourself in 3 words?*

I would say confused, honest and punctual.

*If you could have any superpower, what would you choose?*

I would choose to have the power to abolish all forms of violence prevalent in our society.

*What are the three things you wish to do before you die?*

Firstly, I want to see what kind of a person my child grows up to be. I also wish I had the ability to tell people what happens right after death. Lastly, I would wish for the traffic system in Bangladesh to be more controlled and orderly.

*If you could work with any international artist, dead or alive, who would you choose?*

Jackie Chan has always been my favourite celebrity, so, I would definitely choose to work with him. I even used to collect all his movies when I was younger.

*What is your favourite place to visit?*

I would have to say mountainous regions are my favourite places to visit.

*What is your favourite food?*

My favourite food is the traditional maach & bhaat (fish and rice).

*If you won the lottery, what would you do with the money?*

I would build a hospital for people with mental illnesses, because winning such a huge sum of money would definitely make me insane!

*Who is your favourite celebrity?*

My favourite celebrity has always been Jackie Chan.

*What kind of music do you like to listen to?*

I am a very big fan of Ravi Shankar. His music is truly unique. Whenever I listen to his songs, I feel as though I am in a trance.

I would choose to be a cat as women adore them!
