

SARI

my beloved

The flowing garment, honest and conventional
exudes splendour and appeal
six yards of elegance, asking no favour
glistening and glimmering over the years.
Six yards of sophistication, encouraging curiosity,
men will only wonder, what lies beneath,
the humble drape will continue to mystify,
capturing the innocence of the demure wife-to-be
to the refinement of the single girl.
'Sari my darling' there can never be any other,
contesting to take your place.
Since you are timeless
and an imperative piece of our hearts...
