

CHIT-CHAT RIDY

Can you describe yourself in three words?

I am an ambitious, kind and decent person. I also believe that I'm lucky.

What is your favourite childhood memory?

My favourite childhood memory is going to parks. Back in Moscow, kids would be skating, riding bicycles and playing different sports at the park, and I loved spending my time there. I really miss that.

If you could have any superpower, what would you choose?

I would choose to have the power of healing myself and the people around me.

What are the first three items on your bucket list?

I would always like to stay fit and healthy, travel to as many countries as I possibly can, and make my family proud.

If you could work with any international artist, dead or alive, who would you choose?

I would love to work with Rihanna.

What is your favourite place to visit?

My favourite place is my own room.

What is your favourite food?

Maki rolls and all kinds of noodles.

Who was your first celebrity crush?

My first celebrity crush was Daniel Radcliffe, after I

watched him act in *Harry Potter*.

What kind of music helps you relax?

Listening to old-school music, especially those that I loved as a teenager, is a very relaxing activity for me.

What is your favourite movie of all time?

Black Swan is inarguably my favourite movie of all time.

What do you like to do during your leisure time?

I have recently developed an interest in fashion and interior design, so I spend my leisure time exploring these interests.

If you could be any animal, what would you be?

I would choose to be a swan or a tiger.
