Can you describe yourself in three words?
I'm honest, hard-working and trustworthy.

What is your favourite childhood memory?
I have a lot of great memories from my school years. I used to participate in school dance competitions along with my friends. I also remember my sisters dressing me up as a boy when I was younger. We still enjoy reminiscing about our fights, and have a great laugh remembering our childhood memories.

If you could have any superpower, what would you choose?
I would wish to be an invisible angel, and save people from harm.

What are the first three items on your bucket list?

I would love to travel with my family. I also want to go somewhere calm and peaceful, and spend a relaxing time there by myself. Lastly, as a food-lover, I want a device or mechanism that can serve me delicious food in very little time.

If you could work with any international artist, dead or alive, who would you choose?

As an actor, I believe that on-screen chemistry is a very important part of our work, and that is difficult to achieve with an international artist who is likely to have a very different cultural background. So,

I would like to work with someone from our country, and I would choose Salman Shah. He was one of the most talented actors, and also possessed a great sense of style.

What is your favourite place to visit?
From all the countries I have travelled to, Switzerland is, by far, my favourite. It's scenic beauty, and calm and quite nature always attract me.

What is your favourite food?
I love to eat, but because of my profession, I have to maintain a strict diet. However, I'm a big fan of all kinds of spicy food. When it comes to desserts, mango sticky rice is my favourite.

Who was your first celebrity crush?
Even as a teenager, I was very mature and realistic. So, I have never had a celebrity crush.

What is your favourite movie of all time?
I love watching films so it's difficult to name just one. However, a few of my favourites are *Come September*, *The Sound of Music*, *Jibon Thekey Ney*, *Bela Seshe*, *PK* and *Jab We Met*.

If you could be any animal, what would you be?

I would want to be a rabbit as I find them very lovable.
