

CHIT-CHAT

DOYEL

Can you describe yourself in three words?
I can sometimes be self-centred, but I am a good person with a positive outlook on life.

What is your favourite childhood memory?
I have many fun childhood memories and anecdotes. My favorite ones are from *Pohela Boishakh*. We used to live in the suburbs, and the night before *Pohela Boishakh* would always be spent applying henna on our hands and making *alpona*. In the morning, we would wear our new clothes and head outside to enjoy the day. I still reminisce about those times.

If you could have any superpower, what would you choose?
I would like to have the power of solving people's problems, whenever I am approached with one.

What are the first three items on your bucket list?
I would love to take measures to empower more women, and encourage this practice in our society. I also wish to provide children with the opportunity to play outdoors, as the younger generation does not have access to any field or park. Lastly, I want to travel to every mountainous area, and to meet people from different cultures.

If you could work with any international artist, dead or alive, who would you choose?

I would love to work with a few artists, including Madhuri Dixit, Nana Patekar, Dwayne 'The Rock' Johnson and Humayun Ahmed.

What is your favourite food?
Bhaat, *daal* and *bhorta* are my absolute favourites.

Who was your first celebrity crush?
Shahrukh Khan.

What is your favourite movie of all time?
I would have to name two series - *Golapi Ekhon Traine*, *Golapi Ekhon Dhakai* and *Golapi Ekhon Bilatey*, belonging to one series; and *Palabi Kothae* the other.

What would you do if you won the lottery?
I cannot imagine having such a huge amount of money to myself. So, I cannot say what I would do. However, I would undoubtedly use it for the greater good of all.

What is the first thing you do after you wake up?
I practise a form of self-meditation, and calmly think about the world for the first ten minutes after I wake up.

If you could be any animal, what would you be?
I would choose to be a snake as I find them very majestic.
