## Perfetti Van Melle brings CHUPA CHUPS to Bangladesh

The globally loved brand Chupa Chups was officially launched in Bangladesh on 4 July, 2019. Born in Spain, Chupa Chups is amongst the most famous brands of candy today, with the instantly recognisable logo of an iconic yellow and red daisy, with the cursive words "Chupa Chups" inscribed at the centre. The global leader in lollipops, the brand is loved worldwide, with presence in over 150 countries.

In Bangladesh, the brand has been launched with a completely new kind of product, "Chupa Chups Tubes Mini," a filled sweet and sour chewy candy. The internationally formulated fruity chewy candy with sour sugar dusting is expected to create a sensation among Bangladeshi consumers. Chupa Chups Tubes Minis are available in Tk 10 packs in an assorted mix of strawberry, orange and green mango flavoured candies.

## Fight against mosquitoes with mosquito repellent

Dengue has taken a severe turn this year with official figures showing about eight thousand people getting infected since January. According to the Directorate General of Health Services, about eleven thousand people have been infected with dengue from January to July this year. This is the record number of patients being infected with the disease in the last 18 years in Bangladesh.

Dengue is a mosquito-borne viral disease that has rapidly spread in all regions of WHO in recent years. Dengue virus is transmitted by female mosquitoes, mainly of the species *Aedes aegypti* and to a lesser extent, *Ae. albopictus*. This mosquito also transmits Chikungunya, yellow fever and Zika infection.

With the situation being as such, Purnava Limited, with their research in developing alternative medicine, has a Mosquito Repellent for safety against mosquito.

About this, Dr Laboni Ahsan, Marketing Manager of Purnava Limited, said, "Mosquitoes are the bearers of deadly diseases such as dengue, chikungunya and malaria. For saving lives from mosquitoes, Purnava Limited has brought Mosquito Repellent to the market. Citronella oil, in combination with Eucalyptus oil and Peppermint oil, acts as a fantastic natural solution to repel mosquitoes like annoying insects from the body. Purnava Mosquito Repellent repels unwanted insects and safe guard your health with this easy to use product which can be sprayed

directly on the skin and clothes."

Rinat Rizvi, Additional Manager of Renata Limited, said, "Purnava Mosquito Repellent, in combination with Eucalyptus oil and Peppermint oil, acts as a fantastic natural solution to repel mosquito like annoying insects from the body. The product is available in drug houses in Dhaka and all over the country. It can be ordered online as well."
