At least 11 people died of dengue fever over the last four days in Dhaka, Cumilla, Pabna, Laxmipur, Mymensingh, Lalmonirhat, Faridpur and Khulna -- taking the unofficial death toll to 90.

However, the government has so far confirmed 40 deaths from dengue.

A total of 1,800 new patients -- including 755 in Dhaka city -- infected with the mosquito-borne disease were admitted to different hospitals across the country in 24 hours, till 8am yesterday, according to Directorate General of Health Services (DGHS).

In the latest tally, total number of dengue patients are 46,351 -- of

whom 7,869 are currently admitted in hospitals across the country.

In the last three days, some 5,173 were admitted to hospitals across the country -- of whom 2,977 were in Dhaka and 2,196 were elsewhere, according to DGHS.

Though the number of patients slightly decreased in the last couple of days, experts fear that dengue cases might see a rise with holidaymakers returning home from outside Dhaka after the Eid vacation, if necessary measures are not taken.

"Mosquito spray must be used inside homes upon return from vacation, and commodes must be flushed as well," said entomologist Professor Kabirul Bashar of Jahangirnagar University.

He said people should also check

in and outside their homes to make sure there is no stagnant water.

"People are now aware and know about it [dengue prevention], but unfortunately many are still not following the directives properly, which is why it's tough to control the spread of Aedes mosquitoes," he said.

DGHS also advised people returning home to spray mosquito repellent before settling in.

An adult person should first enter the house and spray insecticides under tables, beds, behind furniture and stay outside for 30 minutes. Going back in, all windows should be opened, water taps should be run and toilets should be flushed, DGHS said.

The Civil Aviation Authority of Bangladesh has to give permission for flying drones, the press release said.

9TH WAGE BOARD FOR JOURNOS SC hearing on govt petition Aug 19

STAFF CORRESPONDENT

The Supreme Court yesterday set August 19 for hearing a petition filed by the government seeking stay on the High Court order that issued status quo on publication of gazette notification on implementing the recommendation of ninth wage board for journalists.

Chamber judge of the Appellate Division of the SC Justice Md Nuruzzaman sent the stay petition to its full bench for hearing on August 19.

Earlier in the day, Justice Md Nuruzzaman refused to hear on the petition, saying he was once a lawyer for Bangla daily Prothom Alo's Editor and Publisher Matiur Rahman, who is also the president of the Newspaper Owners' Association of Bangladesh (Noab).

Following a writ petition filed by Matiur Rahman, the HC on August 6 issued a status quo for two months on publication of gazette notification on implementing the recommendation of ninth wage board.

The government, in a recent petition with the SC seeking a stay on the HC order, said the writ petition that challenged the legality of the ninth wage board and its recommendation is premature, as the government is yet to issue any gazette notification on the recommendation.

Attorney General Mahbubey Alam yesterday placed the government's stay petition before the chamber judge of the Appellate Division.

Advocate AF Hasan Ariff appeared for the Noab president. Deputy Attorney General Amit Talukdar also appeared for the government.

On July 25 this year, Road Transport and Bridges Minister Obaidul Quader had said a cabinet committee on ninth wage board award for newspaper and news agency

HOTEL OLIO BLAST

CTTC finds involvement of 15 'Neo-JMB' men

STAFF CORRESPONDENT

The Counter Terrorism and Transnational Crime (CTTC) unit of Dhaka Metropolitan Police has claimed to have found link of 15 activists of banned militant outfit "Neo-JMB" with the suicide bomb blast that took place at a hotel on Panthapath on August 15, 2017.

Of them, one Saiful Islam was killed during a drive at the Hotel Olio, located around half a kilometre off Bangabandhu Memorial Museum -- the historic house in Dhanmondi where the Father of the Nation was brutally killed along with most of his family members on August 15, 1975.

"On completion of investigation, we found involvement of 15 militants including Saiful. And we have sought government's approval to frame charges against the 14 suspects in this connection," Monirul Islam, chief of CTTC, said on Sunday.

"All 14 suspects were believers of the ideology of the Islamic State. They believed that they would be allowed to communicate with the IS if they become successful to carry out a huge massacre on that day," Monirul said.

Talking to reporters at the DMP Media Centre, Monirul said the miscreants had

planned to carry out an attack on the crowd paying homage to Bangabandhu at Dhanmondi 32 on National Mourning Day.

Of the 14, one Akram Hossain Khan Niloy was the mastermind of the blast, while Tanvir, Yasin Karim, his wife Humaira Zakir Nabila, Abu Turab Khan, Niloy's mother Sadia Hosna Lucky and sister Tazrin Khanam Shuvo were financiers of the attack, he said.

Abdullah Aichan Kabiraj, Abul Kashem Fakir, Lulu Sardar alias Shahid Mistri and Tajul Islam Chhoton supplied bomb-making materials, Monirul said. Nazmul Hasan Mamun made the bomb while Saiful was supposed to carry out the suicide attack.

Besides, Abdullah -- a converted Muslim, along with Abdullah Aichan Kabiraj, Abul Kashem Fakir, Kamrul Islam Shakil and Tarique Mohammad Adnan provided shelter to the militants and patronised them, according to the findings of the investigation.

Of the 14 suspects, 10 have already given confessional statements to court under section 164 of their involvement, including bomb-maker Mamun, said the CTTC chief.

Monirul said Saiful, who was killed during the operation, was once a supporter of Chhatra Shibir.
