

# Inspirational prints

We have seen them stacked up on the racks of famous apparel stores. We have also seen the young, famous and the most well-dressed women of the world wear them. But what do we know about these beautiful tribal prints, except for terming them in the catch-all expression, 'ethnic' prints? With deeper thoughts into the subject matter, we realise, all blue pants are not 'jeans' and all black shoes are not 'Oxfords.'

In the following pages we'd be able to learn how to style these beautiful prints, from the exotic Aztecs to the Mexican stripes.

Read on and enhance your understanding of 'print-fashion,' once and for all.
