

# WEDDING BELLS APPROACHING!

*Aashiqui 2* actor Aditya Roy Kapoor has always kept his personal life far away from the public eye. However, it has been reported that the actor is set to get married very soon. The honour of his bride-to-be goes to model, Diva Dhawan. Aditya had never been public about their relationship, going as far as to deny it completely. Even on the controversial talk show, *Koffee with Karan*,

Aditya claimed that he and Diva were just friends. Over time, however, they were seen together by the paparazzi on various occasions, which made it evident that the two were more than that. Allegedly, the couple are soon to be engaged, and are set to tie the knot in a ceremony held sometime in 2020. Hopefully, this relationship doesn't take the *Aashiqui 2* route.

# Dramione Confirmed?

Fans have been shipping co-stars Emma Watson and Tom Felton for a very long time now, and the duo might actually be dating. The rumours emerged after a photo was shared by Emma, where she was with Tom at a beach. It was followed by several pictures of each other on their *Instagram* handles. But, what made fans lose their minds was a picture that Tom shared recently, where the two are seen together in their pajamas. The picture shows Tom teaching Emma how to play the guitar, adjusting her fingers on the fretboard. It was captioned, "Quick learner x". Some fans are adamant that this proves that the two are a couple, while others claim that it's just a plain old-fashioned friendship. At the end of the day, only Emma and Tom themselves can confirm or deny the existence of the relationship. Maybe J.K. Rowling can help us solve this mystery.

Dwayne Johnson (A.K.A. The Rock) had been dating Lauren Hashian for eleven years, before deciding to tie the knot in a secret wedding ceremony in Hawaii, on the 18th of August, this year. The happy couple broke the news by sharing pictures of their wedding on social media. The pictures were captioned, "We Do, August 18th, 2019.

Hawaii. Pomaika'i (blessed)". The duo first met in 2006, through the filming of the movie, *The Game Plan*. Although Dwayne was married at that time, he divorced his then wife a year later, and began dating Lauren the year after that. The couple now share two daughters together. We wish the family all the love and happiness in the world.
