

Striking combinations

This summer, it's all about colour-blocking, crazy cuts and lots of patchwork!

Our favourite four super-saturated hues are red, yellow, blue and green. Rima Naz leads the designer pack this summer with her jam-packed collection of hyper-saturated colours in striking combinations.

Nobody ever said dressing up cannot be daring, fun, or off-beat!

So, if you like turning heads, then flip over to the next page to find out more.
