

### ATTENTION EVERYONE!

Star Showbiz, The Daily Star's weekly entertainment supplement is looking for feature writers! Why should you be interested, you might ask? Well, if you love following entertainment news like a paparazzi, you just might be able to interview some of your favourite local celebs, or even some abroad. If that isn't incentive enough, you can write about your favourite shows and movies, and cover hot celebrity gossip. The requirements are simple; come from English medium background or be adept in English, or be enrolled in or graduated from a university. And of course, being interested in these topics will add value.
