## — The Goddess

*I saw you with my own eyes,  
Mahishasuramardini.  
I heard how fierce you were,  
Devi.  
Riding a lion,  
killing the buffalo demon  
with your own hands.  
Your sword,  
pierced the heart of the wicked.  
But, it was only as if you tickled a leaf and bud,  
till the merciless demon breathed his last.  
I am astonished by your strength,  
Durgatinashini.  
Incarnation of Parvati;  
You are the mother goddess of willpower and strength.*
