any approval for using foreign DTH technology," the minister said.

He went on saying, "Foreign DTH services are being used in many areas, which is completely illegal. All the illegal DTH connections must be removed by December 15. If not, we'll take action."

The minister said one will have to serve a prison term of at least two years if he or she is found guilty, and pay a maximum fine of Tk 1 lakh. The minimum fine is Tk 50,000.

If the offence is committed for the second time, the penalty will be three years' rigorous imprisonment, and at least Tk 1 lakh to Tk 2 lakh fine.

He said it is not prudent to telecast uncensored foreign serials since a movie must go through the censor board after it has been produced.

Channels that are showing dubbed foreign serials have applied for approval and a committee will be formed to ensure that such serials are cleared by the censor board.

During the meeting, the minister said additional tax must be paid if a foreign artist is cast in any local advertisement. Rules on making advertisements with foreign artists will be introduced soon, he added.

anti-liberation Jamaat-e-Islami, and a member of the Razakar Bahini during the war, according to the investigation agency.

He was arrested in May, 1972 under the Collaborators Order, 1972 but was released in August 1974. The accused retired as an assistant professor from Gopalpur Degree College in Natore's Lalpur in 2011, it said.

The tribunal framed two charges against him on August 8 last year.

According to the charges, the accused was involved in the killing of at least 10 people, torturing of two people, looting of and arson attacks on 12 houses in areas under Boalia Police Station of Rajshahi.

The prosecution produced 14 witnesses, including the investigation officer of the case, to prove the charges while defence declined to produce any witness.

# Railway demolishes 500 illegal structures in Narayanganj

## Shops, restaurant of AL leader untouched

OUR CORRESPONDENT, Narayanganj

Railway authorities in Narayanganj yesterday evicted around 500 shops, which were built illegally occupying Railway's land in the town, although a restaurant and 10 shops owned by a local Awami League leader remained untouched.

Locals alleged that Railway authorities were favouring the AL men, who denied the allegations and said he constructed the structures by taking lease from proper authorities.

Railway authorities started the eviction drive around 11am in Rail Gate 2 area.

At one stage, they tried to evict a restaurant titled "Monir Hotel" and 10 adjacent shops, which are owned by Moniruzzaman Monir, general secretary of word-2 unit of AL under Narayanganj City Corporation.

At the time, Narayanganj city unit AL president Anwar Hossain, along with his supporters, came to the spot and requested Railway officials not to dismantle the restaurants and shops. Finally, railway officials stepped back and gave Moniruzzaman three days to remove the structures.

However, railway authorities did not give such opportunity to others.

"He [Monir] is an AL leader. That is why, he has got the chance. But we are commoners. So, our shops have been demolished," said a small trader whose shops were taken down.

Contacted, Moniruzzaman said, "I did not construct any structure illegally. Rather, I took lease of the land from the railway authorities."

Contacted, Nazrul Islam, divisional estate officer of Dhaka railway, said owner of a few structures -- which needed to be evicted partially -- were given a deadline. "We'll demolish the structures if he fails to remove those on time," added Nazrul.

Advocate Nazmul said after languishing for 18 days, Sayem came out of jail and filed an appeal with Additional District Magistrate (ADM) of Chattogram in this regard. The ADM exempted him from the remaining jail-time after hearing the issue, said the lawyer.

"Though there was no specific allegation against Sayem, the OC and SI detained him overnight in the police station and later implicated in false charge, misusing their power," said the lawyer.

the KGC principal said.

"It is a family decision," said Fayaz's father Barkatullah when journalists asked him why he decided to move out of Dhaka. "We want him to stay close to us," he added.

"He is now my only son; he will fulfill the empty space that has been created after losing Abrar Fahad," the devastated father said.

Contacted, chairman of Jashore board Prof Abdul Alim said the formalities were completed within the shortest time.

Abrar Fahad, a second-year student at Buet, was beaten to death by Bangladesh Chhatra League men at his university dorm on October 7. His father filed a murder case against 19 Buet students, mostly BCL leaders, and several other unnamed accused with Chawkbazar Police Station. A total of 19 people have been arrested over the murder, a number of whom have already confessed.

# Admission test at Kuet today

OUR CORRESPONDENT, Khulna

The admission test of Khulna University of Engineering and Technology (Kuet) for academic session 2019-20 will be held today.

Kuet sources said 12,348 admission-seekers will be vying for 1,065 seats in 16 departments. The test will continue from 9:30am to 12:30pm at five centres.

Dr Quazi Sazzad Hossain, vice chancellor of Kuet, said all necessary measures have been taken to facilitate the test.

Regarding the lack of drives against Aedes mosquito, the mayor said the drives had slowed down, but it would start in full swing soon, and will continue throughout the year.

Dhaka North City Corporation mayor Atiqul Islam said they were planning to allocate a separate budget to control Aedes mosquito.

"Experts like entomologists and doctors have been working to prepare a master plan for IVM, which will be completed shortly," said Atiq.

He said they were also going to introduce a monitoring system by a team of entomologists from outside the corporation.

These teams will inspect mosquito control drives of DNCC each month and provide reports, Atiq added.

Saying that most of the people have lost their legs in road crashes, she underscored the need for taking initiatives to reduce accidents in future.

Bhagwan Mahaveer Viklang Sahayata Samity (BMVSS) is making the prosthetic legs.

While taking measurements of Khadem Ali, who lost both legs about 12 years ago, BMVSS technician Sudama Rai said it took them one and a half hours to install an artificial leg on a person.

Asked about the durability of the prosthetic legs, he said, "Each [prosthetic leg] lasts about three years. If you use shoes, it will last longer."

Dr Md Wahidur Rahman, secretary general of Bangladesh Orthopaedic Society, said they have already installed 300 prosthetic legs. "Two hundred more will be installed," he said, adding that distribution of 750 more will begin from November 4.
