

TRAWLER CAPSIZE DURING CYCLONE IN MEGHNA

10 bodies found, 4 still missing

Ignoring signal, they went on journey in turbulent river; dist admin forms probe body

OUR CORRESPONDENT, Barisal

Bodies of 10 victims of trawler capsized during the onslaught of Cyclone Bulbul on Sunday were recovered in last two days while four remained missing as of filing this report yesterday evening.

After netting hilsa from a coastal area, trawler Ammajan-2 carrying around 24 fishermen went to Chandpur for selling it and capsized at the confluence of the Meghna and Elisha rivers when the trawler was on its return journey to Bhola, said Md Ruhul Amin, upazila nirbahi officer of Charfassion in Bhola.

35, Abbas Munshi, 45, Hasan Molla, 38, Rafiq Biswas, 55, Nurunnabi Bepari, 30, Mafij Mtabbar, 35, Nazrul Islam, 35, Kabir Hossain, 40, and Md Billal, 32, were recovered from the Bahadurpur-Elisha point of the Meghna river in the same upazila on Monday.

The victims hailed from different areas of Charfassion upazila.

The ten bodies were handed over to family members after identification and Tk 25 thousand was given to family members of each victim, said Komol Chandra Dey, sub inspector of Mehendiganj Police Station.

Lokman Majhi, uncle of victim Kabir Hossain said, "They went to the Bay on a trawler of Tofayel Majhi about 10 days ago. After netting 90 maunds of hilsa, they returned to the shore due to adverse weather on November 9."

"Fearing rotting of the fish due to due to lack of ice, they went to Chandpur in a hurry and sold it for Tk 18 lakh there. While returning from there, the trawler capsized, being caught in the storm," he said.

Fishermen of the coastal region sometimes take risky journeys to the Bay, ignoring cautionary weather signals, especially when they eye good catches after lifting of seasonal ban on netting of hilsa, said officials.

Ignoring the warning signal and restriction on plying of water transport, the fishermen in a trawler made their journey in turbulent river to and from Chandpur, said Masud Alam Siddik, deputy commissioner of Bhola.

"A two-member investigation committee, led by Additional District Magistrate Mridha Md Muzahidul Islam, has been formed and they have been asked to submit report by next Sunday. We heard that a few fishermen are still missing," he said.

At least 10 fishermen from the capsized trawler survived by swimming to the bank. Body of fisherman Khorehd Majhi, 40, was found at Sreepur in Mehendiganj upazila of Barisal on Sunday night.

BID TO SNATCH ACCUSED

Seven cops injured

OUR CORRESPONDENT, Mymensingh

At least seven policemen were injured when relatives of an arrested accused attacked on them in a bid to snatch the arrestee from their custody in Kishoreganj's Tarail upazila of Monday night.

Of the injured, Sub Inspector (SI) Razib Ahmed, who sustained stab injuries on the neck, is now undergoing treatment at Mymensingh Medical College Hospital (MMCH).

Quoting the injured policemen, Officer in Charge (OC) of Tarail Police Station Mujibur Rahman said, a seven-member police team led by SI Razib raided Dari Jahangirpur village and arrested Hiron Mia, 32, an accused in a theft case, around 11:00pm on Monday night.

During the raid, police also picked up Hiron's mother Rahima Begum and brother-in-law Awal Mia when the duo tried to resist the policemen from detaining Hiron.

Hearing cry for help, Hiron's relatives and neighbours rushed to the spot and locked in an altercation with the policemen and, at one stage, they swooped on the policemen in a bid to snatch the arrestees from police custody, the OC said.

Failing to do so, Hiron's brother Rumel Mia attacked SI Razib with a sharp weapon, leaving him severely injured.

When other members of the police team tried to save SI Razib they also came under attack, which left another six cops, including two ASIs and four constables, injured.

All the injured policemen were admitted to Tarail Upazila Health Complex from where SI Razib was later referred to MMCH.

Another police team raided the village early yesterday and arrested another six people for their alleged involvement in the attack.

The arrestees were produced before a Kishoreganj court yesterday afternoon that sent them to jail.

IMPACT OF CYCLONE BULBUL

No electricity yet

Around 475 electric poles were uprooted during the devastating storm

OUR CORRESPONDENT, Pirojpur

There has been no electricity in many areas of Pirojpur since Cyclone Bulbul hit the district on Saturday night, causing immense sufferings to people.

Around 475 electric poles were uprooted during the devastating cyclone, leaving the areas without electricity, said Fazrul Anwar, assistant general manager (AGM) of Pirojpur Palli Bidyut Samity.

As power supply is yet to be restored, mobile network in many areas has been seriously disrupted.

Fazrul, however, said electricity was supplied to some power substations like Mathbaria upazila headquarters.

On the other hand, many people are charging their cellphones using generators at different villages.

Aminul Islam of Durgapur village in Sadar upazila said there was no electricity in their village following the cyclone.

But it is still uncertain when the supply of electricity will resume in the area, he added.

Another villager Hafizur Rahman said they have to pay Tk 20 to charge a cellphone using a generator.

"We have hired a generator to charge cellphones," said Shipon Akan of Chalisa Bazar in Sadar upazila, adding that they can charge 200 cellphones every day.

Sohel Hawlader, another generator operator of the bazar, said it takes around two and a half hours to charge a cellphone.

But the battery charge finished very quickly as the power does not last long, said Soheli.

AGM Fazrul Anwar said they have engaged additional staffers from other districts to repair the power lines.

He hopes that the power supply will resume in the areas within next two or three days.

Around 40% power lines have already been repaired, said the AGM.

At least 26 people were killed in nine southern districts as Cyclone Bulbul hit the areas.
