

CHIT-CHAT

Habib Wahid

Can you describe yourself in three words?

I'm still wondering (laughs).

What is your favourite childhood memory?

The memory of being a kid itself is my favourite.

If you could have any superpower, what would you choose?

I would choose to end poverty.

What are the first three items in your bucket list?

The first item in my bucket list is traveling to a lot more countries. Secondly, I would love to explore and learn about all types of music in the world. Lastly, I would love to own a villa or a beach bungalow someday.

If you could work with any international artist, dead or alive, who would you choose?

I would definitely choose A. R. Rahman.

What is your favourite place to visit?

I love visiting South Asian countries.

What is your favourite food?

Chinese food is my absolute favourite.

Who was your first celebrity crush?

Juhi Chawla.

What is your favourite movie of all time?

It is not possible to name one movie as each makes me feel a different emotion.

If you could be any animal, what would you be?

I would never want to be an animal as God created me to be the best of all creations.

What would you do if you won the lottery?

I would first try to fulfill my soul's desires. I don't want to live a luxurious life; to me, luxury is travelling and having a nice house to live in.

PEEPING TOM

MEDDLING MEDLEY

Close your eyes and think about happier times. Remember when you didn't have to worry about paying bills and functioning as a proper adult? Remember when the only bad guys in your life were the ones in *Scooby Doo*? Now mourn that you don't have a gang of meddling kids to save you from the bad guys in your life. You're all on your own. At least you'll get to watch your favourite childhood animated TV show in a redesigned re-imagined CGI format in a new movie, *SCOOB!*. Follow the golden squad from their pint-sized days to the crime-solving monster-revealing bunch we know and love. Go on yet another adventure as they attempt to prevent a dog-apocalypse. And finally, remember the greatest lesson taught from a kids' TV show: the real monsters are nothing but humans in disguise. Here's to our childhood! Here's to May 14, 2020! Here's to another great adventure!
