A LIGHT HAS GONE OUT

Champion of world's largest poverty-reduction initiative Sir Fazle Hasan Abed passes away

MOHAMMAD AL-MASUM MOLLA

Some personalities are so much larger than life that boiling down their accomplishments to a few words is an almost impossible task. Sir Fazle Hasan Abed is one such person.

His identity, however, synonymous it may be with Brac, actually far exceeds the organisation he built.

He was an institution unto himself, selflessly dedicated to bettering the lives of those around him.

Integrity. Humility. Humanity.

These words which define Sir Fazle Abed so well unfortunately only scratch the surface of who he really was.

Condolences pour in

STAFF CORRESPONDENT

Condolences began pouring in after news of the death of Brac founder Sir Fazle Hasan Abed broke.

President Abdul Hamid and Prime Minister Sheikh Hasina expressed deep shock and sorrow at his death.

In separate condolence messages, they prayed for eternal peace of the departed soul and conveyed profound sympathy to the bereaved family.

The president, in his condolence message, said Sir Fazle Abed contributed immensely to the country's socio-economic development through establishing Brac.

"The nation will remember his contributions to the country's development with due respect," Abdul Hamid said.

In a condolence message, the PM said Sir Fazle Abed played an important role in realising support, raising funds, and creating public opinion in favour of Bangladesh's

All eyes on gen secretary post

Hasina for stronger AL as party council begins; delegates want clean images

RASHIDUL HASAN

Festivity was in the air. Large flags, banners, festoons and portraits of Awami League leaders were everywhere at the capital's Suhrawardy Udyan, where thousands of leaders and activists went to join the party's 21st council yesterday.

Amid this festivity, everyone was curious to know who would be holding the party's general secretary post.

There were discussions within the party's rank and file whether incumbent

GS Obaidul Quader would get re-elected or be replaced, said insiders.

What is almost certain, however, is that Sheikh Hasina, who has been leading the party since 1981, will be re-elected as the AL president, they said.

Now all eyes are on the GS post as the triennial council rolls on to the final day today. A council session at The Institution of Engineers, Bangladesh, in the capital would form the party's central working committee.

INDIA'S DIVISIVE CITIZENSHIP ACT

6 killed in UP

Over 60 protesters injured; fresh clashes with police; demos in Delhi, Gujarat

AFP, New Delhi

Six more protesters died in India yesterday in fresh clashes between police and demonstrators, taking the death toll to 15 in more than a week of unrest triggered by a citizenship law seen as anti-Muslim.

The law -- which makes it easier for persecuted minorities from three neighbouring countries to gain citizenship, but not if they are Muslim -- has stoked fears Prime Minister Narendra Modi wants to remould the world's biggest democracy India as a Hindu nation, which he denies.

The latest deaths, in northern Uttar Pradesh where almost 20 percent of the state's 200-million population are Muslim, followed the loss of three lives on Thursday when police opened fire on protesters in the northern city of Lucknow and the southern city of Mangalore.

Four of the demonstrators -- two from Meerut and two from neighbouring Muzaffarnagar, both in Uttar Pradesh -- died yesterday from "gunshot wounds", Meerut chief
