SIAM in Sundarban

Actor Siam is currently in Sundarban for the shooting of the Dipankar Dipon directed film, *Operation Sundarban*. The plot is based on true events of the brave operation of *Rapid Action Battalion (RAB)* to remove pirates, who were once prevalent, from Sundarban. The cast of the film also includes Roshan and Nusraat Faria, among others. The film is financed by *RAB Welfare Society Limited*. Siam said, "The shooting will take place in Sundarban for quite a number of days, so I am a little on the edge. However, I am very happy that I am being able to take part in such an amazing project.
