DEVOTED TO BUILD A HEALTHIER NATION

Lal Teer is a pioneer research based ISO 9001-2015 certified seed company in Bangladesh. Our experienced Breeders and molecular scientists are working hand in hand tirelessly, using indigenous germplasm in the field and lab to develop stress tolerant, pest resistant, climate SMART varieties. We produce seeds partnering with more than 10,000 contract growers of which 80% are women. The company is catering country's 10 million farmers to enhance production and their income as well as food & nutritional security of the nation.
