GOING GLOBAL

Unleashing the Potential of Bangladeshi Heritage

BGMEA, in partnership with HSBC, is set to transform the RMG sector by exporting fashion based on local culture and heritage.

Adapting to the evolution of the markets, **BGMEA** has taken the Pledge for Culture and Heritage, partnering with 3 of the most renowned Bangladeshi designers – Anadil Johnson, Kuhu Plamondon and Rina Latif – to create new, one-of-a-kind, high-end fashion lines using our homegrown weave and fabric for the global arena.
