

In pursuit of A BETTER TOMORROW

Bonayan

For A Greener Tomorrow

Since 1980, Bonayan the largest private sector driven afforestation initiative, in collaboration with numerous government and private institutions has been contributing towards a greener Bangladesh. We hope to build on this momentum and continue to be the development partner for the government in increasing the area of tree covered land in the country.

Probaho

For A Safer Tomorrow

Probaho, the safe drinking water initiative was launched in 2009 with an aim to ensure good health and wellbeing among remote communities. Till date, this initiative has established 107 water filtration plants across the country. Probaho wishes to continue the journey with pride and support the government in ensuring that 100% of the population use safely managed drinking water services.

Deepto

For A Brighter Tomorrow

Deepto, the renewable energy initiative was launched in 2011 to make the first access to electricity a reality for the off-grid Chattogram Hill Tracts communities. The initiative wishes to explore more avenues to work with renewable energy to support the government in improving the overall renewable energy share in total energy and reduce carbon emissions.
