

4 killed

FROM PAGE 3
The driver was produced before a Mymensingh court yesterday afternoon, which sent him to jail, the OC added.

In Phulbaria upazila, a tenth-grader was killed, after a truck hit the CNG-run auto-rickshaw he was travelling in around 5:30pm.

The victim was identified as Pranto Khan (15), son of Abdul Latif Khan of Phulbaria municipal area.

Sub-inspector of Phulbaria Police Station Jhatish Chandra Dev said initially, three passengers of the auto-rickshaw were injured. All injured were admitted to MMCH, where Pranto died around 8pm. Separate cases were lodged.

On its way to Patuakhali from Mongla, a gas cylinder-laden truck lost control, ran through an electric pylon, and fell into a roadside ditch. The accident occurred at Barishal-Kuakata highway's Auliya Mazar area, under Bakerganj upazila.

First death anniversary of Mashuk Chowdhury

STAFF CORRESPONDENT

Today is the first death anniversary of noted poet and journalist Mashuk Chowdhury.

He passed away on this day last year while suffering from pneumonia.

Born in 1949 at Moniandha of Akhaura upazila under Brahmanbaria district, the self-effacing poet authored 12 books, mostly poems.

He was a life member of Bangla Academy and permanent member of National Press Club.

He was awarded by many organisations for his literary wisdom throughout his life.

Formulating

Caucus on Migration and Development, said dispute resolution mechanism should uphold rights of migrant workers, adding if required the parent act can be amended for this.

RMMRU Executive Director Prof CR Abrar said they can march forward to finalise the draft set of rules with taking opinions from the stakeholders.

Senior District and Sessions Judge Saiful Islam and Joint Secretary Rafiqul Hasan of the Law and Parliamentary Affairs Ministry, among others, spoke at the workshop.

It was

Besides, there is no clear allocation in the budget for the purchase of vaccine, he added.

GM Quader said coronavirus can spread rapidly if vaccine was not administered properly. "In that case, our medical system will collapse. Mega projects for its development have to be initiated immediately," he said.

"At the same time, the government should promote initiatives for homegrown vaccines," he added.

He said people are frustrated due to continuous extortion by the ruling party cadres. The government couldn't take action against gambling and casino business due to involvement of ruling party men, he alleged.

He said the government is implementing mega projects for getting "mega commissions" from there.

Recruits of

committee meeting, after the aggrieved recruits locked the administrative building, senate building and VC's residence.

On June 20, they confined treasurer Prof Akm Mostafizur Rahman Al Afrif to his office for four hours.

The next day, some local Awami League leaders met the university authority and held a discussion to resolve the situation. After the meeting, the recruits declared to postpone their movement, as the local leaders told them that they will work to meet their demands.

On May 31, they confined four top university officials, including the acting VC, in a similar fashion and demanded they be allowed to join work.

On his last day in office on May 6, Prof Sobhan recruited at least 137 people, including nine teachers, sparking protests on campus. The education ministry termed the recruitment illegal on the same day and initiated an investigation.

On May 8, the RU administration suspended the recruitment process.

Far too

He said although there are long-standing problems, little is being done to address them.

Meanwhile, a patient admitted at a VIP cabin of the hospital said since he was admitted to the fourth floor of the hospital four days ago, the AC has not been functioning, tiles work was being done in the room, and even the toilet fittings were not working properly.

He alleged that the authorities are not taking initiatives even though patients are suffering in the hospital.

Oliver Guda, executive engineer of the public works department, Barishal, said, "The government has cut off Tk one crore and 50 lakh from our budget in the last financial year. As a result, the necessary works have been hampered."

"For this financial year, we have asked for an allocation of around Tk 9 crore," the official said.

"If we get it, we will be able to solve some of these problems (at the hospital)," he added.

Ensure dignified

FROM PAGE 3

The PM also said Bangladesh maintains a "zero-tolerance" policy towards terrorism and extremism.

Hasina appreciated the recent ceasefire between Israel and Palestine, and hoped that peace and stability will prevail in the Middle East as well as other parts of the world.

Regarding the Covid-19 pandemic, she said it is one of the most pressing global issues of the current time as it has not only taken its heavy toll on lives, but also battered the economies and affected the livelihoods of millions of people across the world.

The premier said the Bangladesh government has shown resilience in fighting the pandemic by ensuring available healthcare support for all and providing appropriate incentives to different sectors.

She vowed to bring all citizens under the free Covid-19 vaccination programme, and the government is trying to get vaccines from all available sources to make that happen.

"Our government is in touch with Russia for vaccines. I would like to mention that

Bangladesh has the capacity to produce vaccines and even support the world community if we're taken on board in the production chain," Hasina added.

Terming climate change a major issue, the PM said it needs proper attention from the global community.

Hasina hoped that the international community will play a proactive role in addressing adverse impacts of climate change through extending cooperation and exchanging knowledge and expertise.

She said peace and security cannot be ensured unless all take appropriate measures to end human deprivation and ensure an environment that provides education and opportunities for all.

Hasina urged the world community to ensure vaccination for all to fight off Covid-19, humanitarian assistance to the marginalised people, return of all the Rohingya to Myanmar, stopping financing and arms supply to terrorists, and increasing cooperation among military agencies to ensure global security.

Rare surgery done at United Hospital

CITY DESK

Dr MA Zulkifl, senior consultant of urology department at United Hospital, and his team performed a rare surgery recently, said a press release.

The patient, a 60-year-old man, was diagnosed with bladder cancer about one month ago. The patient was later referred to Dr Zulkifl.

To save the patient, a decision was made to perform surgery that will remove his entire bladder and prostate.

The rare "Radical Cystoprostatectomy with Orthotopic Neobladder Reconstruction Surgery" was performed. This means, after removal of the bladder, a new bladder was constructed with a segment of the small intestines.

Even after a long surgery on the patient who suffers from other health complications, it was possible to transfer the patient directly to the cabin without ICU stay.

The surgery requires experienced and skilled surgery team support, said Dr Zulkifl. Earlier, patients had to go abroad for availing such surgeries, but now they are being performed in the country with great success.

Dr MA Zulkifl and his team perform the surgery.
