

HSBC, Beza, Brac to plant mangroves in Mirsarai

STAR BUSINESS DESK

HSBC Bangladesh has recently partnered with Bangladesh Economic Zones Authority (Beza) and Brac to grow mangrove plantations in Mirsarai.

The collaboration will see over 40,000 mangrove plantations across 10 acres of coastal land in Bangabandhu Sheikh Mujib Shilpa Nagar, where HSBC will also support Covid-19 awareness campaigns and skills development programmes.

The HSBC has dedicated this plantation, which is estimated to capture 492 tonnes of carbon each year, to commemorate the 46th National Mourning Day.

HSBC CEO Md Mahub ur Rahman planted saplings at the BSMSN to mark the

inauguration of this initiative.

"Mangrove forests are known for incremental carbon capture capacities and it can grow well in the coastal area where water salinity is high," he said.

"This is the very first mangrove initiative by a private sector amongst all the economic zones in Bangladesh and will play its part in ecological development in the area," said Rahman. "This is also in alignment with our HSBC group commitment towards the global carbon transition to net zero emissions," he added.

Shaikh Yusuf Harun, executive chairman of Beza, M Erfan Sharif, additional secretary, and Md Liakath Ali, director of climate change programme at Brac, attended the programme.

Md Mahub ur Rahman, CEO of HSBC, M Erfan Sharif, additional secretary and executive member of Beza, and Md Liakath Ali, director of climate change programme at Brac, put up saplings at the Bangabandhu Sheikh Mujib Shilpa Nagar in Mirsarai recently.

Emerald Oil to take more time to resume production

FROM PAGE B4

It is traded as a junk stock at Dhaka Stock Exchange (DSE), the main bourse.

And shares of the company dropped below its book value of Tk 10 in the second half of 2020. It shares recovered later to touch Tk 14.1 each for a brief period and fell below face value in February this year.

Shares began to rise after the Bangladesh Securities and Exchange Commission (BSEC) dissolved the board of Emerald Oil and formed a new one on March 2 in a bid to improve its performance to protect the interests of general shareholders.

The regulator appointed five independent directors at the board of the company. Since then, Emerald Oil's share rose and hit a two-year high of Tk 37.5 on August 5. Prices dropped later but still traded three times higher the book value, showed data by the DSE.

Hossain said there was no reason behind the increase in share prices as the company was not in production.

Ahsanur Rahman, chief executive of Brac EPL Stock Brokerage, said investors should not park their hard earned money on stocks of companies which were not in production. Investors should be careful, he said.

Zahidul Alam, head of administration at Incepta Pharmaceuticals, and Enayet Hossain, senior manager of human resource, handed over a cheque worth Tk 4.39 crore to Begum Jebunnesa Karim, director general of Bangladesh Labour Welfare Foundation, at Bangladesh Secretariat yesterday for the welfare of institutional and non-institutional workers of the country.

INCEPTA

Maj Gen Md Nazrul Islam, executive chairman of Bangladesh Export Processing Zones Authority, inaugurated Premier Bank's ATM booth at Dhaka Export Processing Zone and Sami Karim, deputy managing director of the bank, inaugurated another at Bangladesh Krira Shikha Protishtan recently. M Reazul Karim, managing director and CEO of the bank, Shahed Sekander, deputy managing director, and Md Tareq Uddin, executive vice-president, were present.
