

Check out these 5 cool budget Bluetooth speakers

TASNUVA KINNORI

From a lively party to a zen-filled study session- if music is the best companion for you, then a Bluetooth speaker is just what you need. But choosing the right speaker that balances out quality sound, price, looks or functionality is easier said than done, especially on a tight budget.

So check out some of our top picks for budget Bluetooth speakers to find the perfect music companion for you:

1. Edifier MP260

Price: 4,700 BDT

Available At: Pickaboo, Tech Land, Ryans Computers, Reboot BD etc.

A sleek LED alarm clock or a blue tooth speaker? You can have both with the Edifier MP260 blue tooth speaker. Other than waking you up in the morning, this versatile device will also liven up your parties with its 8W tweeter and 12W subwoofer. Powered by a 5200 mAh battery (lasting 7 hours of playback time), the speaker comes with AUX, USB as well as micro SD input slots. Besides, the Bluetooth 5.0V supported speaker allows for faster and further signal transmission. As a bonus, the LED panel has automatic brightness adjustment and multifunction buttons for ease of use. The speaker's wooden box design also boasts a side panel bass

reflex port which lets you feel the beat drops.

Pros:

- Simple, clean aesthetics
- Intuitive controls
- Impressive audio with compact 2.1 system

Cons:

- No option to change the Alarm tone
- Comparatively short battery life

2. JBL Clip 3

Price: 5,800 BDT

Available At: Tech Land, Star Tech, Pickaboo etc.

If the more bedside alarm clock design of the Edifier MP260 doesn't strike your fancy, consider the ultra-portable JBL clip 3. Giving you 10 hours of that signature JBL sound with only 3 hours of charging, this lightweight Bluetooth 4.1 supported speaker is as perfect for trips as it is

without breaking the bank on models like the JBL Flip or Charge series, the Clip or Go series may be right up your alley. But if you'd like more savings than the Clip series allows, look no further than the JBL Go 3. Featuring rich JBL Pro Sound in a compact design, this IP67 certified speaker will follow you into rain or shine- even complementing your style with its wide range of colour options. And if you want even more savings with a few fewer perks, you can grab the JBL Go 2 at around 3,500 BDT

Pros:

- Compact Design
- IP67 certified water and dust resistance

Cons:

- Smaller battery life

5. Logitech UE Wonderboom

Price: 7,500 BDT

Available At: Star Tech, Pickaboo, Tech Republic BD etc.

While the Logitech Ultimate Ears Wonderboom is more on the pricier side, it promises an absolute treat for your ears with its two 40mm active drivers and 46.1 mm x 65.2 mm passive radiators. Waterproof, spillproof, dust and mud resistant, this speaker will follow you into the pool, rain, mud and muck with its easy to clean and drop-tested design keeping all your worries at bay. With an impressive wireless range of 33m, 10 hours of battery life with only 2.8 hours of charging, the Logitech UE wonder boom also comes

3. Anker Soundcore Flare

Price: 4,950 BDT

Available At: Star Tech, Daraz, Apple Gadgets BD etc.

If beyond sound and battery life, you want your speaker to put on an LED light show synced with the beats, then the Anker Soundcore Flare is worth your consideration. Delivering 360° sound with its dual drivers and bass radiators, everyone at your party is sure to feel the beat. With customizable LED modes and IP67 rating, this speaker is a promising choice for any pool party. And if you're willing to spend a few more bucks, you can get the Anker Flare 2 at around 6,300 BDT.

for showers. And if you don't mind going over budget for the added perks of better clarity and bass, more transmitter power and a more up-to-date Bluetooth connection, then consider getting the JBL Clip 4 coming in at around 7,000 BDT

Pros:

- Ultra-Portable Clip-on design
- Compact design with multiple colour options to choose from
- Waterproof

Cons:

- Bluetooth 4.1 version
- Not the best for open spaces

Pros:

- IP67 waterproof protection
- 360° Sound
- Stereo/ Boost playback modes

Cons:

- Corresponding app needs work
- LED lights to sap away battery life

4. JBL Go 3

Price: 4,000 BDT

Available At: Ryan Computers, Star Tech, Daraz etc.

If you want that JBL quality music

with a 2-year manufacturer warranty.

And if you think all that couldn't get any better, consider the Wonderboom 2 with longer battery life, better bass response and an all-new Outdoor Boost

Pros:

- Pair two devices simultaneously
- 100-foot range, 360° sound
- Waterproof, floating design

Cons:

- Some low-frequency distortion at maximum volume
