48 killed in custody, 'gunfights'

Finds ASK report covering Jan-Sept

STAFF CORRESPONDENT

Forty-eight people died in custody of law enforcement agencies and in "gunfights" in the first nine months of this year, said rights body Ain o Salish Kendro yesterday.

Of them, 34 were killed in so-"crossfire", "gunfight", "exchange of fire" or "encounters" with law enforcement agencies, nine in firing, while four from torture by law enforcement agencies. Besides, one died of a heart attack after being arrested as claimed by police, according to an ASK report.

The report, prepared based on the news run by different national dailies, said a journalist was shot dead while 154 others became victims of torture, attacks, cases and harassment during the period.

The rights body said incidents of rape, sexual harassment and violence against women, torture and acid throwing increased in the nine months compared to the corresponding period last year.

Besides, the country is expected to get three crore doses of the singledose Johnson & Johnson vaccine under the Covax facility by the first quarter of next year. The vaccine will be purchased using the World Bank funds, said finance ministry sources.

The government initially sought seven crore doses of the Johnson & Johnson vaccine, called Janssen, but Covax primarily agreed to three crore

The Covax facility is a global initiative coordinated by the World Health Organization, the Vaccine Alliance Gavi, and the Coalition for Epidemic Preparedness Innovations. The facility is working to ensure that low- and middle-income countries have equitable access to Covid-19 vaccines.

Other than the global arrangement, the government also secured 10.7 crore doses through bilateral arrangements. Of the doses, 7.7 crore will be purchased from Sinopharm and the rest will be from Serum Institute of India (SII).

The government has already paid Tk 3,310 crore from the government's own fund for this purpose.

"We have set aside an estimated Tk 4,250 crore for logistics like buying syringes and administering the jabs," said the finance ministry official.

Moreover, the country will get five crore free vaccine doses from Covax by the end of this year, he added.

Bangladesh started the mass vaccination programme on February 7 this year for people aged 65 and above with 70 lakh Oxford-AstraZeneca vaccine shots, produced by SII.

Prime Minister Sheikh Hasina returned home last night from Washington DC via Helsinki wrapping up her US visit to attend the 76th United Nations General Assembly and other high level side

"A VVIP chartered flight of Biman Bangladesh Airlines carrying the premier and her entourage members reached the Hazrat Shahjalal International Airport at 11:15pm," PM's Press Secretary Ihsanul Karim told BSS.

After a brief stopover in Helsinki, the flight departed the Vantaa International Airport at 10:55am (local time) for Dhaka.

Ambassador of Bangladesh in Finland (non-resident) Md Nazmul Islam saw the PM off at the airport.

Earlier, the flight departed the Dallas International Airport in Washington DC for Helsinki at 5:27pm on Thursday (Washington DC time).

Bangladesh Ambassador to the US M Shahidul Islam saw the premier off at the airport.

UN, US condemn killing of Mohib Ullah

REUTERS, Washington

The United Nations and the United States on Thursday spoke out over the killing of Rohingya leader Mohib Ullah and called on Bangladeshi authorities to investigate his shooting.

Mohib Ullah, who was in his late 40s, was killed by unknown gunmen in a camp in Cox's Bazar on Wednesday

He led one of the largest of several community groups to emerge since more than 730,000 Rohingya Muslims fled Myanmar after a military crackdown in August 2017.

"The UN urges the Bangladeshi authorities to undertake an investigation and to hold those responsil account," UN spokesperson Stephanie Tremblay told a press briefing in New York on Thursdav.

US Secretary of State Antony Blinken said he was "saddened and disturbed" by Mohib Ullah's murder, calling him a brave and fierce advocate for the human rights of Rohingya Muslims around the world".

"We urge a full and transparent investigation into his death with the goal of holding the perpetrators of this heinous crime accountable," Blinken said in a statement.

Booters

Playing in front of a crowd mostly made up of Bangladeshi expatriates, the men in red and green dominated the game with 58 per cent ball possession. However, Bangladesh, sitting 16 places above Sri Lanka in FIFA ranking, suffered in finishing, losing the ball in the final third often and having only four out of 20 shots on target.

Topu, however, came close to outting the booters ahead just minutes before referee blew the whistle for half-time. The Bashundhara Kings centre-back's well-timed header off a cross from left-back Yeasin Arafat forced a fingertip save from Sri Lanka goalkeeper Sujan Perera.

Ten-men Sri Lanka produced a few attacks near the end of the game but none could trouble Bangladesh stopper Anisur Rahman Zico.

Bangladesh will face seven-time India in their next game on Monday at the same venue.

UN reports 'unprecedented' malnutrition in Tigray

AFP, Addis Ababa

The UN warned of "unprecedented" malnutrition among pregnant and lactating women in Ethiopia's war-hit Tigray region, in a report published hours after the government sparked outrage by expelling senior UN officials.

The latest situation report from the UN's humanitarian coordination office, posted online late Thursday, also described "alarming" malnutrition among children as fears of mass starvation grow nearly 11 months after northern Ethiopia erupted in conflict.
