HIGH PRICES OF ESSENTIALS

Double blow for those with fixed income

AKANDA MUHAMMAD JAHID

Prices of almost all daily essentials have shot up in the kitchen market, adding woes to the fixed-income people who are reeling from the economic slowdown caused by the pandemic.

In the last couple of weeks, prices of sugar, flour, chicken, fish, cooking oil, spices and vegetables have gone up due to supply constraints amid recovering demand from the pandemic and soaring prices in the international commodity market.

Visiting several kitchen markets in the capital yesterday, this correspondent found that sugar was being sold at about 11 percent higher than the government-fixed rate of Tk 74-75 a kg. The sweetener was being sold at Tk 80-86 a kg.

Abul Hussain, a retailer in the capital's Shukrabad area, said he purchased loose sugar at Tk 78 per kg from the wholesalers. "Then, how can we sell it at the government-fixed rate?"

Though rice price remains stable now, consumers have been spending

'Halt US aid to Pakistan'

OCTOBER 5, 1971

SHAMSUDDOZA SAJEN

US SENATE BODY VOTES TO STOP AID TO PAKISTAN

The Senate Foreign Relations Committee approved a proposal to suspend US aid to Pakistan. The provision, already voted by the House of Representatives, laid down that all US economic, military and other aid, including sale of military equipment and agricultural commodities, be stopped until Pakistan cooperates in stabilising the situation in East Pakistan and permits return of refugees from India. Aid would be resumed when President Richard Nixon certified to the Congress that those actions had taken place.

INDIA WILL NOT ACCEPT MOVE FOR BILATERAL TALKS

India will not accept any proposal for bilateral negotiations on Bangladesh on the ground that the problem was entirely of Pakistan's own making. India's Permanent Representative at the UN Samar Sen made this clear today in a rejoinder at the General Assembly to counter certain allegations earlier made by the leader of the Pakistan delegation, Mahmud Ali.

ON THE WAR FRONT

In the Kushtia-Jashore-Khulna sector, Mukti Bahini today raided the Pakistani position near Pirgacha (Khulna) and killed three Pakistani soldiers including a JCO.

Pakistani troops today burnt several villages in Bhatipara under Kashiani PS of Gopalganj in reprisal of a humiliating defeat the previous day. On that day, Mukti Bahini made a daring attack from three sides on Pakistani troops' position.

So far, proof of money laundering has been found against the three companies and cases have been filed

EVICION DRIVE IN ASSAM Congress suspends MLA after arrest

He made 'provocative remarks' in reaction to Sept 23 eviction violence that left 2 killed in police firing

AGENCIES

The Assam Congress yesterday suspended its MLA, Sherman Ali Ahmed, days after he was arrested for making provocative statements on an eviction drive around 40 years ago. In a one-line statement, Congress said that it has suspended Ahmed with immediate effect for repeatedly violating party discipline.

The Congress had earlier served a show-cause notice to the three-time MLA from Bagbar for justifying the killing of eight people during an agitation in Darrang district in 1983. He called the eight people, seen as martyrs of agitation in the Assamese society, "murderers".

Ahmed apparently made the remarks while reacting to eviction drive in the district on September 23 that left two persons dead in police firing.

Earlier on September 20, a similar eviction drive was carried at four places in Dholpur, about 9 km from Sipajhar, and nearly 800 families - most of whom were Bengali-speaking Muslims - were removed from 4,500 bighas of land the government claimed ownership for, reports NDTV.

His comment has evoked strong reactions across Assam and multiple FIRs have been filed against him. Ahmed was later arrested from his official residence in Guwahati on October 2.

In its show-cause notice, the Assam Congress has accused MLA Sherman Ali Ahmed of making "politically motivated" statements "with the intention of damaging
