SADI MOHAMMAD SHAHNEWAZ

Sunerah Binte Kamal has won over the audience with her National Award winning performance in 'No Dorai'. The beautiful and talented young actress sits with us for a round of One Minute Please!

What is your biggest pet peeve?

I hate it when someone answers/throw opinions about a subject, without even listening to the whole story!

If you were to produce a movie today, who would you cast as lead actress, except yourself?

I'll be honest, here, it will totally depend on the role.

If you weren't an actor, what would you be?

I am already what I've always dreamed of, and I can't even think of doing anything else.

If you had to trade your national award with anything in the world that you wanted, what would you trade it with?

If I didn't have a choice but to trade, it would probably be my dream house!

What is the one dish you could eat every day for the rest of your life?
