

Shakil's 5th death anniversary observed

OUR CORRESPONDENT, Mymensingh

The fifth death anniversary of Mahbubul Hoque Shakil, former special assistant to Prime Minister Sheikh Hasina, was observed yesterday.

He died of cardiac arrest in Dhaka on December 6, 2016. He was 47.

On the occasion, family members distributed food among orphans.

District AL leaders placed floral wreaths at Shakil's grave at Mymensingh city's Bhatikeshor graveyard and offered prayers, seeking salvation of his departed soul. It also organised a meeting at the city corporation's auditorium in the afternoon.

Shakil's father advocate Johirul Hoque Khoka, also president of district AL, was present at the event.

Born on December 20, 1968, Shakil was a popular face among youths and in student politics. He was a forefront leader of the anti-autocracy students' movement in the 1980s.

Shakil had a great liking for both poetry and prose writings. He was published thrice as a poet. He also wrote a book of short stories.

there was a trend of winning of party nominated candidates."

Aminul also said, "I have completed development work of Tk 100 crore in the municipality during my tenure. The prime minister is trying to develop the country with all her heart. But it is impossible for a good person to do all the work, while there's huge corruption in the country."

"I meet the secretaries, LGRD minister for funds and there you must leave a percent. For Tk 100 crore funds, you must give 5 percent, that's the reality now."

This correspondent could not contact the mayor for his comments, as he did not receive phone calls.

brutality and oppression," he continued. He said it is an example seldom seen in history that nearly seven million refugees went home within six weeks of liberation. "Indeed, it is also an example seldom seen anywhere in the world that Indian forces supporting the Mukti Bahini were withdrawn within less than three months of liberation."

"Today, our countries are the closest partners in the political, diplomatic, commercial, economic, developmental, cultural, security, and even people-to-people fronts. We must now ensure that future generations understand this history."

"It is the youth of today who will make this partnership irreversible," he added.

'VISA FREE TRAVEL BETWEEN TWO COUNTRIES' Meanwhile, the foreign minister at another programme yesterday said the visa system between Bangladesh and India should be lifted for citizens of both countries.

"There shouldn't be any obstruction in movement..." he said, addressing a webinar organised by Ekattorer Ghatok Dalal Nirmul Committee, marking 50 years of Bangladesh-India diplomatic relations.

During Indian Prime Minister Narendra Modi's visit to Bangladesh in March this year, both countries decided to observe December 6 as "Maitri Dibash" (friendship day).

Speaking at the event, Doraiswami said the day not only holds historical importance but is also a recognition of "friendship between the people of the two countries".

Unusual rain, usual

yesterday, meteorologist Arif Hossain told The Daily Star. "Slight to moderate rainfall may occur in parts of Sylhet and Chattogram region tomorrow [today]. Other areas will not observe rain," he predicted.

The country faces rainfall in December only when cyclones form in the Bay of Bengal.

Bazlur Rashid, another meteorologist, said all regions of the country, especially Dhaka, will become dry from Wednesday, and chances of rainfall today is also low.

Meanwhile, many of the city's roads and streets were waterlogged, which again exposed the poor drainage system.

Roads, lanes and bi-lanes at Farmgate, Green Road, East Rajabazar, Tejturi Bazar, Kazipara, different parts of Old Dhaka and some low-lying areas were inundated.

"I had to walk several kilometres on foot from Mirpur Section-2 to Farmgate, as I didn't find any form of public transport, including rickshaws," said a private-job holder at Farmgate.

Mohammad Shaheen, a resident of Shewrapara, said he had to suffer a lot while going to his son's school. "We had to walk around 30 minutes on foot, as we couldn't find a rickshaw even after waiting for about 20 minutes," said Shaheen.

Mohammad Yasin, a resident of Green Road, said majority of the area went under ankle-to-knee deep water.
