Boy, cop killed in road crashes

STAR REPORT

Two people were killed in road accidents in two districts during the last two days, according to reports from our correspondents.

In Jashore, a four-year-old boy was killed when a truck hit a cycle carrying him yesterday morning. The incident happened around 12:30pm on Rampur-Kanyadah road at Kanyadah in Sharsha upazila.

Tamim Iqbal, son of Korban Ali from Kanyadah village, died on the spot, said Sharsha Police Station OC Badrul Alam Khan. According to police and family, Tamim and his elder brother Badhan were cycling to the health complex. The law enforcers seized the truck and detained its driver and helper. A case was filed.

In Narayanganj, a police officer died after a covered-van and his car collided head-on near Purinda Bazar in Arai hazar upazila on Monday night. The deceased -- Md Shafullah -- was inspector (investigation) of Turag Police Station.

The accident took place around 11:30pm when the police officer was on his way home after duty, said OC Mehedi Hasan. Later, firefighters rescued him, he said. Shafullah was rushed to a private hospital in Rugganj where doctors declared him dead. Kanchnur highway police said they seized the covered-van but its driver fled.

So, we have to be more careful about pregnant women and their treatment if they contract Covid-19," said Prof Sameena Chowdhury, former president of Obstetrical and Gynaecological Society of Bangladesh, at the event.

The study also found that a coronavirus-infected pregnant woman has 1.2 times higher chance of undergoing caesarean section than one who is uninfected. However, the death rate among Covid-positive pregnant women was insignificant; only one woman died during the study.

Lokman Hossain Mian, senior secretary of the health ministry's health services division, attended the event as chief guest, while Prof Ahmedul Kabir, additional director general of DGHS, was special guest.
