Sayum claims Summit Golf title

SPORTS REPORTER

Mohammad Sayum claimed his second BPGA title of the season by winning the 11th Summit Professional Golf Tournament, beating Siddikur Rahman by three shots at the Kumritola Golf Club yesterday.

The multiple-BPGA winner from KGC recovered from a poor second round with a fine final round yesterday to win the title of Tk 1500,000-lakh event with an aggregate score of eight-under-par (208).

This is Sayum's second BPGA title of the season, following his victory in the Runner Professional Golf Tournament in late September.

Siddikur, who returned to the country recently, scored 70, 72 and 69 for an aggregate of five-under-par (211).

Akbar Hossain and Jakiruzzaman Jakir, with matching scores of even-par (216), finished tied for third position.

International volleyball tournaments start tomorrow

SPORTS REPORTER

The Bangabandhu Asian Central Zone Men's Volleyball Challenge Cup and Bangamata Asian Central Zone Women's Volleyball Challenge Cup will get underway at the Shaheed Suhrawardi Indoor Stadium in Mirpur tomorrow, with last edition's runners-up Bangladesh taking on Maldives in the men's draw while the women's team of the host nation playing against Kyrgyzstan, the runners-up of last edition.

A total of six nations including hosts Bangladesh are taking part in the events. Bangladesh, Uzbekistan, Sri Lanka, Maldives and Nepal are participating in the men's tournament while Kyrgyzstan will be taking part alongside the five aforementioned nations in the women's event.

The tournament, organised on the occasion of the 50th Anniversary of Bangladesh's victory and the birth centenary of the Father of the Nation Bangabandhu Sheikh Mujibur Rahman, saw its trophy and logo unveiled ceremony at Dhaka North City Corporation's conference hall yesterday.

Both the tournaments will be played in round robin format, with the top two teams qualifying for the finals, to be

played on December 28.

While Bangladesh men's team have a pedigree in this event, having won the title in its second edition in 2016 before finishing second in the last edition, back in 2018, the women's team will be making only their second appearance in the event, the first one coming back two years ago.

At the trophy and logo unveiling programme yesterday, Atiqul Islam, president of the Bangladesh Volleyball Federation [BVF] and mayor of Dhaka North City Corporation, spoke about the challenges of organising the tournament during the pandemic.

"It was challenging to bring all the teams during this pandemic," Atiqul said. "We had to take permission from IVF [International Volleyball Federation] and AVC [Asian Volleyball Confederation] to organise these events," he said.

"We had some lacking in the previous tournaments. To compensate, we have brought in technical delegates from AVC to ensure the tournaments to be more successful," the president said as he went on to share his future plans with the sport.

"We want to spread this event all around the country, like schools, districts and age-level tournaments. We're also planning to organise Volleyball Premier League so that we can get more local players," Atiqul concluded.

Premier League to play on

AFP, Manchester

Premier League clubs on Monday decided against a temporary halt to the season despite a surge in coronavirus cases that has forced mass postponements and threatened to derail the season.

There had been talk of a potential "firebreaker", with suggestions that the middle round of the festive fixtures from December 28-30 could be postponed.

But on Monday the English top flight, following a shareholders' meeting involving representatives from the 20 clubs, said games would continue through the busy festive season.

"It was confirmed at a Premier League club meeting today that while recognising a number of clubs are experiencing Covid-19 outbreaks and challenges, it is the league's collective intention to continue the current fixture schedule where safely possible," the Premier League said in a statement.

Kylian Mbappe celebrated his 23rd birthday in style on Monday evening, with his Paris Saint-Germain teammates accompanying him on an evening out, although they did troll him with a renewal shirt. As Mbappe's future remains very much in the air, a number of the Frenchman's teammates held up a PSG shirt with the 'Mbappe' name on the back and the year 2050 underneath, signifying a contract extension until that particular year.
