

WRITTEN ACROSS THE STARS: YOUR 2022 YEARLY HOROSCOPE

Happy New Year! The arrival of the New Year brings new hope and ushers new opportunities for you to seize. Let's check what's in store for you in 2022.

ARIES

This seems to be a great year for signs of this house, as the first phase of the year will be financially favourable. There will also be a wave of positive outcomes in your lives. You will also succeed in your academic endeavours. However, hard work is mandatory for the success you seek. There will be some challenging times in your love lives. You could be looking at some health issues later in the year.

TAURUS

Signs of this house is looking at a rather average new year, but average is never a bad thing! Besides, lady luck will favour you in major aspects of your life this year. You will see favourable outcomes in your career, leading to a fulfilling professional life and good raise. However, your financial situation will see a lot of fluctuations in the middle of this year. The later parts of the year will bring loads of favourable time with your family.

GEMINI

Signs of this house will be staring down several challenges this year, along with some opportunities. The first half of this year will bring some financial losses, as well as health issues and relationship troubles. However, positive changes will start appearing around the middle of the year. You will make great academic strides as well as advances in your career. Take steps to mend any sour relationships by the end of the year.

CANCER

Things are looking dicey for natives of this house in the early stages of this year. However, you will also gain the confidence to overcome most of these problems. Keep an eye on your elders as they might end up with health troubles. There will be some issues financially in the middle of the year, but things will sort itself out soon enough. You will also be faced with new employment opportunities. A lot of negativities in your relationship/married life will also be negated around this time.

LEO

2022 will bring plenty of luck, optimism, and cheerfulness in most sectors for this house. Financial conditions will improve quite early in the year, along with your professional life. However, stay on your feet for when things become unfavourable as near middle of the year will be full of unexpected occurrences. You could also be looking into some health problems. Things may get iffy in romantic relationships, but putting your ego aside will bring about the fulfilment you crave.

VIRGO

The start of 2022 is looking good financially for this house. However, things might not go so well when health is concerned. The middle of the year seems to be dodgy as well, especially concerning career progress. This time can also highlight differences between you and your family. However, things will be good near the end, both academically and professionally. Your existing relationship will also get stronger during this time.

LIBRA

While things are looking good at the start of the year, things might go south for this house. Expect favourable outcomes physically, mentally, and career wise. Things that can go wrong will mostly involve business and family. Academic/professional arenas will be met with great success near the end of this year. The month of April in particular, may bring about significant changes in your romantic lives.

SCORPIO

This year looks to be a mixed bag for this house. A lot of unnecessary expenses will pile up on you from the start till near the middle of this year. From the middle of the year, you will get mixed results in your professional life, as well as your family life. However, things will improve from there, namely, your financial conditions. Unfortunately, you might have to deal with mental stress in other aspects. Your relationships will go through some turmoil, and the key to overcoming it will be trust.

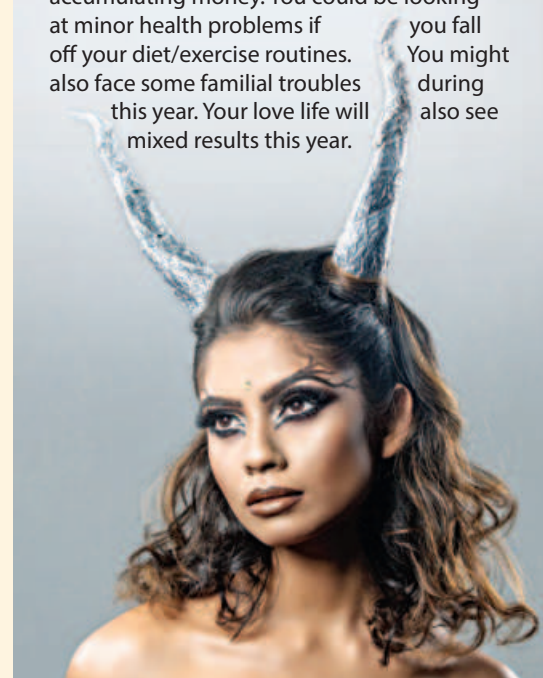

SAGITTARIUS

This year will be quite favourable for this sign, especially in terms of finance. In terms of academics/professional life, you will gain the outcome of your hard work. However, you might have to deal with mental stress from disputes in your family life. There is a risk of affliction with a major health problem in the middle of the year. There will also be some problems between you and your romantic partner. Things will change for the better later in the year though. New employment opportunities may arise near the end of this year.

CAPRICORN

Your sign is looking at a great start to 2022. The beginning of this year specifically will be very favourable in terms of your career and financial situation. However, starting from before the middle of the year, challenges in various aspects of life will emerge, namely accumulating money. You could be looking at minor health problems if you fall off your diet/exercise routines. You might also face some familial troubles this year. Your love life will also see mixed results this year.

AQUARIUS

Things are looking mostly great for this sign. Your financial situation will do great throughout the year. The start of the year will also bring about success in your endeavours. However, some impulsive decisions might cause issues, so don't let anything influence you. You will benefit greatly in your career early in the year, but there will trouble later in the year. As for romantic life, things will be ok but most of your issues will arise as a result of interference from outside parties.

PISCES

2022 is look really great for this house. You will be financially lucky for most of the year, while discovering new sources of income. Career wise, you will hit your desired goals. You might be in a situation where you will be far from your family sometime this year. Keep an eye out for any minor health issue that might rear its head. Relationships/marriages are also looking great this year, with no major setbacks in the horizon.
