

# Fun and Adventure Park at Radisson Blu Dhaka Water Garden for youngsters

Do you remember the countless hours you used to spend doing all sorts of things at the playground? Those were fun days and one can only hope that the same opportunity is available for the children of today, but the number of playgrounds is very limited in Dhaka city and the opportunity to spend some time in fun activities is not very broad either. Radisson's new Fun and Adventure Park offers that much desired opportunity of spending some hours in games and excitement.

## What is the 'Fun and Adventure Park'?

The Fun and Adventure Park is the latest offering from Radisson Blu Dhaka Water Garden for youngsters of all ages. Quite often you get numb and bored by the grim city life in Dhaka or sometimes you just want to take a day off with your family but there are very few facilities

play stations and a "Splash Pool" for children, the place offers interesting challenges and activities for children and it will keep them entertained for sure.

## What does it offer?

The Fun and Adventure Park is divided into three different zones for three

that offer fun activities for young and adults alike.

At Radisson Fun and Adventure Park, parents can sit back and relax while the little ones can play and explore. Children aged between 1-18 are welcome at this adventure park. The facility is set in the outdoor space of the well vegetated garden of Radisson poolside. With 15 exciting discovery

different age groups. 'The Toddler Playground' is set for children aged between 1-4 years. This part of the park consists of a sandpit with toys, toddler swings, slider station, play house, and see-saw. Then there's 'The Elementary Playground' designed for children between the ages 5-12 years. With a jumping trampoline, this draws quite the crowd.
