

There's also a dual slider system, climbing station, multiple swings, and a tower station.

Last but not least, 'The Teenager Obstacle Trail' offers a more physically demanding course designed to appeal to the teenagers. This part of the park contains a suspension bridge, crawling tunnel, hanging bridge, tree climbing, and spider nets.

There is also an outdoor lounge area where guardians can keep a safe eye on their children.

Is it safe?

It is natural to wonder about the safety of your children if you are introducing them to any sort of activities. The 'Fun and Adventure Park' is located at a safe outdoor space inside Radisson Blu Dhaka Water Garden and the safety is supervised by Radisson Blu Dhaka Security Team.

The rides, stations and trails are designed with children's safety in mind so the kids should be physically safe. There's a team

make sure that they do not hurt themselves. The team includes both male and female members and they are well trained gym instructors and attendants. Even after all their vigilance, should there be an accident, the in-house doctor can offer first aid when necessary.

What if you get hungry?

Worry not for they have got you covered. In association

milk. If you are a vegetarian, it is possible to get a specially made snack of vegetarian items as well. Young or adult, the snack choices will hold equal interest from everyone.

Children are the future and they need a gateway and an escape from the busy city life in order to maintain a sound mental health. So, taking them to an outdoor

of seven members of 'Radisson Recreation Club Instructors' who will be constantly watching over the children while they play in the park to ensure their safety and

with ChitChat Restaurant at the poolside, the facility offers a menu designed to appease kids as well as adults when they get hungry and want a little bit of a snack to refuel themselves. From green salad to chocolate donut, you will get a wide variety of choices. The full house section of the menu offers items like chicken nuggets, hot dogs, different kinds of burgers, etc. There are a few sweet courses and of course a number of refreshing beverages such as fresh juice, milk shake or even chocolate

facility is an idea worth exploring. The 'Radisson Fun and Adventure Park' is open every day of the week from 10AM to 5PM. It is also open for public and private events so if you are considering hosting a birthday party for your child, or simply a fun weekend with them, it is certainly worth a look.
