

An alternative gateway to Dhaka

FROM PAGE 3
Committee of the National Economic Council approved a Tk 1,209.6 crore project to support the expressway project's implementation, mainly for acquiring land.

The Cabinet Committee on Government Purchase gave the go ahead to RHD's proposal for appointing the Chinese consortium in November last year. RHD sources said design for the expressway

is almost finalised, and the consortium has already completed negotiating with a Chinese bank to get necessary funds. AKM Fazlul Karim, coordinator of RHD's PPP cell, said the consortium

will finance, build, operate and maintain the road for a concession period of 25 years. As per the agreement, the government will get the total toll amount, and the consortium will

get a certain amount as "availability payment", he told this correspondent yesterday. Currently, two more elevated expressways are under construction in Dhaka and adjacent areas.

Last date for submission of application is on **26/01/2022 by 11:59 PM.**

Six million need aid in drought-hit parts of Ethiopia: UN

AFP, Nairobi

More than six million people in drought-hit areas of eastern and southern Ethiopia will need "life-saving" assistance this year, the UN's emergency response agency said in a new report.

The drought is adding to the humanitarian crisis in Ethiopia, where the war between government forces and the rebel Tigray People's Liberation Army (TPLF) in the north of the country has already left millions there in desperate need of aid.
