

# SUSTAINABLE INITIATIVES FOR A BETTER TOMORROW

For A Greener Tomorrow

115+ Million Saplings Distributed

Milestone Projects

18+ Districts Coverage

30,000+  
Beneficiaries

“ I have been collecting saplings from Bonayan for over a decade now. I have managed to sustain my family and single-handedly raise all four of my children with the money from selling the wood & fruit. ”

Beneficiary Story

- Rehana Begum  
Lama, Bandarban

For A Safer Tomorrow

560,000+ Litres  
Safe Drinking Water

Project Areas

110  
Filtration Plants

270,000+  
Beneficiaries

“ Drinking water without going through hours of boiling was never an option due to its contaminated nature. This scenario has completely changed with Probaho's installation. The water from the plant is of such high quality that we can directly drink it from the plant. ”

Beneficiary Story

- Madina Khatun  
Jhenaidah
