Doctor ‘missing’ for three days

Family alleges he was picked up by plainclothes men

OUR CORRESPONDENT, Savar

A doctor -- who was allegedly picked up on April 2 from a private clinic by men in plain clothes claiming to be law enforcers -- is yet to be traced down even after three days, claimed family members.

His wife filed a general diary on April 3 with Savar Model Police Station in this regard.

Physician SR Nazrul (38), owner of Naba Diganta Diagnostic Centre, was picked up from the clinic located at Savar Bus Stand around 9:00pm on Saturday, said his wife Kulsum Akhter, quoting clinic staffers.

Kulsum alleged that on-duty police officers refused to record her complaint when she went to Savar Model Police Station around 11:00pm on April 2.

OC Kazi Mainul Islam of Savar Model Police Station said they have talked with the doctor's family members.

“We have launched an investigation and are currently trying to trace him,” said the OC. Asked about Kulsum's claim of not recording her complaint immediately, the OC said, “We are looking into that allegation as well.”

AL leader held over hacking of Bus worker

OUR CORRESPONDENT, Barishal

Police yesterday arrested an Awami League leader in Barishal in a case filed for injuring a bus worker and vandalising his house.

Ashiqur Rahman alias Sumon Mollah was attacked following a clash between two factions of the bus workers' union on Sunday, said local sources.

Siddiqur Rahman Masum, ward-25 AL unit's president, was arrested in Rupatali, said OC Lokman Hossain of Kotwali police.

Sumon, loyal to the mayor, was sent to DMCH. His mother Setar Begum alleged that on Monday night, the councillor and his men hacked Sumon with a sharp weapon.

Govt to set up medicine plant

presided over by its chair and Prime Minister Sheikh Hasina, who joined it virtually from Gono Bhaban.

The government will bear the whole expenditure, 60 percent of which will be met by loans and the rest from equity.

“Not only RMG, but we also have huge prospects in the pharmaceutical sector as well. Our medicines are reaching the USA, Russia and Europe. That's why we want to increase the manufacture for the global market,” Planning Minister

MA Mannan told reporters after the meeting.

“Local private companies often increase the price of medicine. In such cases, EDCL will sell those items at a lower price and ensure a check and balance,” the minister added.

EDCL currently has three medicine manufacturing units in Dhaka, Bogura and Gopalganj, from where medicines are supplied to the government's central medical store (CMS) and different organisations under the health directorate.

About 31.5 acres of land will be acquired in Manikganj and 6.071 percent of the total estimated cost will be spent for the purpose.

Equipment and machinery procurement will require 59.247 percent of the total estimation and about 21.662 percent will be required to construct different establishments.

Nasima Begum, member (secretary) of the planning commission, said EDCL only gets loans and equity from the government. “The organisation can repay the loan,” she said.

Robbing

FROM PAGE 5

On information, Rab arrested Raja, Bachchu and Masud from Munshiganj and Barishal on Monday night and recovered 19.7 grammes of gold and Tk 3.29 lakh cash, he added.

Moin said they have arrested the three after analysing CCTV footage of the jewellery shops.

“The gang has around eight to 10 more members, who also used to rob in disguise of different employees,” added Moin.

Rab said Raja is an expert at breaking locks. He started working as a bus conductor in 1990, and then got in touch with an organised gang in 2002.

Bachchu used to work as a lawyer's office assistant in Dhaka in 2009. In 2018, after meeting a robber, Bachchu got in touch with the syndicate, and started taking part in robberies.

Masud used to work at a Chinese restaurant. In 2010, he got in touch with a gang and started robbing places in 2018.
